

**FOR IMMEDIATE RELEASE**

**Robb Mariani's video banned from YouTube for speaking out-of-narrative regarding The US Truckers' Freedom Convoy**

*Press Conference scheduled in front of Smokey & The Bandit Truck: "DETOUR this Convoy!"*

Lincolnton, North Carolina, US March 1, 2022

*In early February, Robb Mariani reached out to the alternative, conservative media to attempt to speak on current affairs circulating in the news regarding the Canadian Freedom Convoy, to receive no response. By mid February, when The People's Convoy inserted their voice as spokespersons for the American Truckers, Robb became concerned and curious about why Americans needed a "freedom convoy."*

**The remainder can be viewed chronologically in podcast footage referenced below.**

Krystal Tini, on her newly launched podcast, hosted an Emergency Broadcast for Robb to get his message out which was immediately removed from YouTube citing "Medical Misinformation" resulting in a second strike on a well-established Influencer account putting her entire platform at risk for permanent suspension. Here is that appearance.

Robb, after a nearly two-year hiatus from social media, launched his own Rumble account to respond to the deplatforming and censorship attempt at a fellow public figure. That video on a brand new channel is still obtaining viewership since its posting {currently at 7,600 views and climbing}.

Mr. Gordon Rose of GordonRose.tv reached out to Mr. Mariani to appear on his podcast after learning of this and produced an additional Emergency Broadcast on this urgent subject;

*Shocked and unsettled, the research that Robb presented within The Uneven News' podcast resulted in the most thorough information dump - that has been quoted verbatim subsequently by Q"Anon" influencers - but Robb is still concerned about what he uncovered. He feels it is of imperative importance and that time is of the essence to get a very important dialogue going with American truckers.*

*Please attend the press conference in the afternoon tomorrow, Wednesday, March 2nd in Lincolnton, NC.  
Please email [CONVOYDETOUR@PROTONMAIL.COM](mailto:CONVOYDETOUR@PROTONMAIL.COM) for the location of the Smokey & The Bandit Rig with Robb Mariani and Brad Wike Press Conference.*
