

**BLACK TOURMALINE** – Experience the power of nature's ultimate protector. This all-natural stone resonates with the Earth's grounding frequency of 7.83 Hz (Schumann Resonance) to instantly enhance strength, balance, and stability in the body. Acting as a natural shield, Black Tourmaline absorbs harmful energies while providing sustainable aura protection. By releasing refreshing negative ions, it promotes mental clarity, emotional harmony, and overall well-being.

**FAR INFRARED RAY** – Harness the healing power of deep-penetrating far infrared energy. This natural technology quickly eases soreness and pain, reduces muscle tension, and promotes total body detoxification. By strengthening the immune system and supporting healthy circulation, it helps decrease the side effects of diabetes and high blood pressure. Far Infrared Ray also boosts metabolism, aids in weight management, and restores vitality at any age.

**NEODYMIUM MAGNET** – Experience the power of the world's strongest magnet. Designed to support better sleep and regulate sleep patterns, it naturally boosts daily energy levels while enhancing oxygen flow to the brain. By interacting with the blood through gentle magnetic forces, it promotes full-body circulation, revitalizing your body from head to toe.

**VOLCANIC ASH** – Unlock the natural power of minerals for radiant hair, skin, and nails. Packed with potent antioxidants, it helps neutralize harmful free radicals, supporting overall health and slowing the signs of aging. Gently clears breakouts, blemishes, and impurities, while trace elements like selenium and zinc nourish and rejuvenate from within.
