Company Overview – People not Profit

Our divers have served from the Gulf of Mexico to the Great Lakes region, U.S. inland waters and Alaska; many recently returning from active duty overseas. Our Team & Staff include multi-trade veteran-military divers from across the country. Seasoned, trained and ready to work in any environment- whatever the task. M.V.P.D divers are the highest trained & paid in the country; yet still the most affordable, disciplined, professional team you can employ. We follow only Government written Diving Doctrine; because it works. Our Divers understand it and live by it. Only a Mil-Vet Diver can provide service and quality at a level Local, State & Federal Government's require. There are none better than - Mil-Vet Pro Divers. Zero Accidents, Zero Injuries, Zero Tolerance -35 years of industry service.
