

**Village of Bloomdale
Records & Inventory Committee
Meeting Minutes
Thursday April 23, 2026, 6 pm**

Mayor Bethany Vincent called the meeting to order at 6 pm. Committee members Kailey Keaton, Becky Drake, and Cory Kirian were all present. Ada Kitchen, Fiscal Officer-Clerk, and Dave Smith, Ordinance Enforcement Officer, were also in attendance.

Dave asked whether the Village has an Ordinance regarding living in a camper in the yard of a residential home. Discussion of the mobile home dwelling Ordinance, 7-O-93. Dave will check into ORC as well. Ada looked up minutes from September 10, 2024, in which the other mobile home Ord was discussed, unfortunately the Ord number was not recorded.

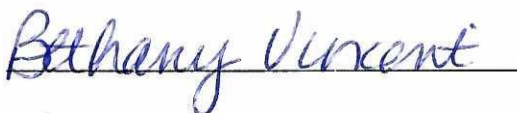

Discussion of Ordinance 2026-O-02, an ordinance updating 18-O-14; Committee would like to add back in (d) regarding fees and fines dictated by ORC instead of language using BG Muni Court. Also, there was discussion of lending greater importance to the "animals running loose" than the "noxious odors." Beth will: swap the topics in the title, swap (a) for (b), and add in (d), and then resubmit to Jeff. Hoping to begin the three readings on Tuesday, April 28.

Discussion of 6-O-20 – not in need of updating.

Discussion of getting a copy of the BPD SOP to look for information on noise limits in the Village.

Kailey took the binder to begin scanning the Ordinances onto the newly acquired thumb drive; she will then coordinate with Ada and the newly created Excel sheet to make searching easier.

Kailey motioned to adjourn the meeting at 7:05 pm.
