

OPEN LETTER & CASE FILE OF CHARGES

To the Nations, the Remnant, and the Hidden Ones

From Yehudah-Mikael ben David, Raiser of the Tabernacle of David, Servant of the Most High

Subject: An Official Declaration Against Elite Exploitation of Black People Through Finance, Media, Entertainment, and Historical Crimes

I. HISTORICAL CONTEXT: THE ATLANTIC SLAVE TRADE

The narrative has long been whitewashed -- but the evidence is clear:

Jewish involvement in the transatlantic slave trade is documented in multiple academic sources. While not the sole orchestrators, Jewish merchants, ship owners, and financiers were active participants in:

Caribbean plantations (Suriname, Curaçao, Barbados, Jamaica)

Slave auctions in Newport, Charleston, and elsewhere

Finance and insurance of slave voyages

Key Families/Entities:

Aaron Lopez -- Jewish merchant, one of the most active slave shippers from Newport, Rhode Island.

Judah Benjamin -- Confederate Secretary of State and slave owner.

Dutch Sephardic Jewish merchants in Brazil and Suriname -- funded ships and owned large sugar plantations using African slave labor.

II. THE BANKING INDUSTRY

Elite Jewish banking families helped finance colonialism, war, and the control of national economies.

Key Families:

The Rothschild Family -- Europe's most powerful banking dynasty since the 18th century. Financiers of war, colonial expansion, and early nation-states. Involved in colonial African interests.

The Warburgs -- Co-founders of the U.S. Federal Reserve and early financiers of IG Farben (chemical weapons supplier for the Nazis).

Goldman Sachs -- Investment bank with deep ties to U.S. government policy and corporate monopolies.

These financial structures created the economic cages still used today to deny Black people land, credit, and generational wealth.

III. HOLLYWOOD & ENTERTAINMENT

Hollywood was founded and remains dominated by Jewish executives. These men have programmed generations of Black youth with violence, lust, ignorance, and self-hate.

Founders of Major Studios (All Jewish):

Warner Brothers -- Albert, Harry, Sam, and Jack Warner

Paramount Pictures -- Adolph Zukor

Universal Pictures -- Carl Laemmle

20th Century Fox -- William Fox (Fuchs)

Columbia Pictures -- Harry Cohn

MGM -- Louis B. Mayer and Marcus Loew

Modern Executives:

Bob Iger -- CEO of Disney (Jewish)

Jeff Zucker -- Former head of CNN (Jewish)

Leslie Moonves -- CBS (Jewish)

Michael Eisner -- Former Disney CEO (Jewish)

David Geffen -- DreamWorks founder (Jewish)

Amy Pascal -- Former Sony executive (Jewish)

These executives approve films that glorify gangs, materialism, and degradation -- while censoring any spiritual or empowering Black narratives.

IV. MUSIC INDUSTRY (HIP-HOP)

The most revolutionary art form ever birthed by Black America has been hijacked by Jewish music executives who profit from Black death, trauma, and ignorance.

Key Executives:

Lyor Cohen -- Def Jam, Warner Bros, 300 Entertainment (Jewish)

Jimmy Iovine -- Interscope Records (Jewish-Italian)

Rick Rubin -- Co-founder of Def Jam (Jewish)

Clive Davis -- Arista Records, RCA (Jewish)

Lucian Grainge -- Universal Music Group (Jewish)

Doug Morris -- Sony Music, UMG (Jewish)

Steve Rifkind -- Loud Records (Jewish)

Their labels:

- Promote murder music and sexual degradation
- Silence revolutionary, spiritual, or Israelite content
- Sign contracts that trap Black artists into permanent servitude

V. FOOD INDUSTRY: CHEMICAL WARFARE ON BLACK COMMUNITIES

Many of the processed food conglomerates poisoning Black neighborhoods are run by elite Jewish families and boards.

Companies:

PepsiCo & Frito-Lay -- Major board members and executives historically from Jewish families.

Nestlé -- Heavily linked to Israeli and European Jewish investors. Accused of exploiting African water resources.

Coca-Cola -- Partners with Zionist-linked distribution networks and known for aggressive marketing in Black communities.

Kraft-Heinz -- Formerly run by Philip Morris (Jewish-linked), who also owned major cigarette companies targeting Black neighborhoods.

VI. SPORTS INDUSTRY: BODIES FOR PROFIT

Modern gladiator entertainment. Black men's bodies are sold for billions, while ownership remains in the hands of white and Jewish elites.

Key Jewish Sports Owners/Executives:

David Stern -- Former NBA Commissioner (Jewish)

Adam Silver -- Current NBA Commissioner (Jewish)

Jerry Reinsdorf -- Owner of Chicago Bulls (Jewish)

Mark Cuban -- Owner of Dallas Mavericks (Jewish)

Micky Arison -- Owner of Miami Heat (Jewish)

Robert Kraft -- Owner of New England Patriots (Jewish)

Steve Ballmer -- Owner of LA Clippers (Jewish)

They:

- Profit off Black labor
- Control the narrative of protest (e.g., Colin Kaepernick)
- Exploit the talent, then discard the soul

VII. PROPAGANDA, CENSORSHIP & INFORMATION WARFARE

Media Ownership:

The New York Times -- Sulzberger family (Jewish)

CNN -- Founded by Ted Turner but long influenced by Jewish leadership

Fox News -- Founded by Rupert Murdoch, but includes heavy Zionist influence and funding

Google & YouTube -- Sergey Brin (Jewish), major censorship of anti-Zionist content

Facebook (Meta) -- Mark Zuckerberg (Jewish)

These platforms:

- Silence truth-tellers
- De-platform Hebrew Israelite voices

- Elevate degeneracy, confusion, and globalist narratives

VIII. THE VERDICT

Let the record show:

Black bodies were sold and insured by their banks.

Black souls were corrupted by their music.

Black minds were distracted by their films.

Black nations were robbed by their deals.

Black resistance was silenced by their platforms.

And they did this all while claiming to be the "chosen," while the true chosen were stripped, shipped, enslaved, and scattered.

IX. CLOSING STATEMENT

This is not a judgment against the righteous -- there are Jewish voices who reject this empire of lies.

But this is a judgment against:

- The elite Zionist class
- The global financiers of wickedness
- The architects of confusion
- The manipulators of suffering

Let it be known: The Lion has awakened. The scepter returns to Judah. The remnant remembers.

We will no longer be food for your markets, your movies, or your music.

We are not your entertainment.

We are not your slaves.

We are the children of the Most High -- and your time is up.

Signed, Sealed, and Proclaimed
