## ABOUT GARB

Garb is the original junior golf apparel brand. In 1996 I founded Garb on the belief that kids wanted a brand to call their own--a brand dedicated to the youth of the game that offers great styling and unrivaled quality. Garb has not only become a beloved brand, company and culture, but it created the junior golf apparel category and has been leading the pack ever since.

What started in the basement of my home in Evergreen, Colorado has grown to become the USGA and PGA of America's first choice in kid's golf apparel. Garb is the primary children's golf apparel supplier to the U.S. Open, PGA Championship, Ryder Cup since 2001, and the proud apparel provider for PGA Jr. League.

Now located in Denver, Colorado, Garb is committed to bringing junior golfers the best golf clothing out there. We listen to the kids and together create a line of clothing that is not only high quality and technically advanced, it hits the fashion look the kids are demanding.

The game is evolving. It's no longer just for retired people and businessmen. The youth are taking over. Embrace it. They are the future of the game.

-Joe Silva, Founder
