

HMJ AGRO PVT. LTD.

Non-Basmati rice

We sell high quality non-basmati rice, which is free of ashes, germs and stones. The flavor is rich and the scent is strong. Non-basmati rice comes in different types, with some slim and thin, some short and wide, some beads and some rounded.

The packaging for ricing bags includes Poly Bag, jute bag, cotton bags, paper bags, and non-woven plastic bags in different lengths, such as 50 kg, 45 kg, 40 kg, 30 kg, 25 kg, 20 kg, 10 kg and 5 kg.

We do have rice parboiled. There's a dark grain in parboiled rice. The cereal is less delicate. The people of West Africa eat this kind of rice often.

Note:

Different broken percentage can be offer from 5% up to 100%, as per customer's requirement.

Specification would be changed accordingly as broken percentage changes

Delivery:

Within 10 days from the receipt of confirmed payment instruments.

Packing:

5, 10, 20, 25, 50 kg PP bag / Non woven bag.
