Board Members

Lana Brown

Gail Townsend

Darlene Mayfield

Melanie Morton

Letter from the President

Dear Faithful Members of the EWC,

June 9th is the date for our General/Business Lunch when we can look forward to new Board member installations and the last lunch we will share until September.

I'm so thankful for this group of ladies that for my 18 years or so of being on the Board of Directors or being the President have been both challenging and delightful.

From my very first meeting in 2008 with Darinda Kunkel as President, so many hurdles for us to overcome, all the while keeping our eyes on the goal of keeping this club and it's building alive. She handed over the keys, not shortly after that.

It gives me such confidence that we have Lauren Haas as our President elect. Please come to our lunch and see the new Board of directors installed, our long-held EWC tradition continues.

Have a lovely month with family and friends. And I hope to see you on the 9^h.

Sara K. LoBue
President 2024-26

Letter from the Incoming President

As I accept the honor of serving as the new President of our Club, I want to express my deepest gratitude and admiration for our current President, Sara LoBue. Sara's tireless dedication, profound commitment, and unwavering love for this Club has left a lasting impact on all of us. Her relentless pursuit to ensure our clubhouse remains both aesthetically beautiful and fully operational reflects the pride and care she pours into every detail. Her generosity, leadership, and long history with the Club are truly unmatched. As she passes the baton to me, I do so with immense respect for the remarkable example she has set and with sincere appreciation for all she has done to strengthen and preserve our Club for future generations.

Lauren Haas

Miss Exeter Scholarship Program — Encouraging Tomorrow's Young Leaders

The Miss Exeter Scholarship Program is now accepting applications! It is a rewarding and memorable experience for young women in our community, and we encourage all Club members to help spread the word! If you know any upcoming senior high school girls who would benefit from this wonderful opportunity, please encourage them to apply. Participants gain valuable life skills through etiquette training, public speaking, and confidence building, while also developing friendships and a stronger connection to our community. The program gives these young women the opportunity to represent Exeter, participate in city events and celebrations, and grow into poised and confident leaders. It is truly an enriching experience that creates lasting memories and opens doors for the future.

Meet Our 2026 Scholarship Award Recipients:

Itzcali Sanchez
Amber Kwok
Belinda Alvarado Mendoza
Sundari Stimpel
Savannah Landeros

Membership Dues:
Membership renewal letters
have been mailed. We
appreciate your prompt
response and continued
support of our club.

Year in Review Highlights:

As we conclude another wonderful Club year, we extend our heartfelt thanks to all of our members whose dedication, enthusiasm, and countless volunteer hours made this year such a success. Together, we created many memorable moments, including a festive Fall Festival, an exciting and inspiring Miss Exeter program, a profitable Christmas in October and a meaningful Centennial Building Celebration honoring our Club's rich history. We also celebrated a record-breaking Christmas Home Tour that showcased the beautiful homes during the holidays in our community, along with the beautiful Brick Garden Dedication, which will serve as a lasting tribute for years to come. Thank you for your continued support, friendship, and commitment to service that make our Club truly special.

Though our meetings pause for the summer, the spirit of friendship and service continues all season long. Wishing you a safe, relaxing, and joyful Summer. We look forward to reconnecting in the Fall. We return for our General Meeting on September 8th!"
