Foursome

WHAT

GUICE Wealth Invitational is an annual fall networking event to promote small businesses while giving back to the community.

Contestants compete for prizes and community bragging rights. A percent of the proceeds will be given to a different charitable organization annually.

WHO

Hello Friend,

Thank you for taking the time to connect with us and sponsor our first annual GUICE Wealth Invitational. This tournament is a business networking and community engagement competition. It also serves as our introduction into the Triad community.

GUICE is a boutique family office specializing in financial and business strategies for small businesses and individuals. From retirement planning to succession planning and growth strategies, GUICE is here to help with all your wealth management needs.

With our headquarters on Wall Street in New York City, our managing member, Danita Harris, is establishing and will be servicing a North Carolina based office. Danita is a High Point Andrews High School and High Point University Alum, and her parents have lived in High Point for over 30 years.

This annual golf tournament will engage the community by connecting with local nonprofit organizations to highlight and build relationships with our fellow small business owners through exposure to one another and networking with a little friendly competition.

Thank you for your participation, and good luck at winning bragging rights to this year's invitational tournament!
