

# **Airfoiler Meeting Minutes December 2024**

The December meeting of the Coffee Airfoilers was held December 7th, 2024 at Damron's restaurant, 714 E. Lincoln St., Tullahoma. There were 21 members present.

**Financial Report:** Club Treasurer Sandy Green reported the club income and expenditures for November. She also stated we have 120 members as of November 30th. She also stated she would be making the annual transfer of funds from checking to savings.

## **Old Business**

**Solar Panels:** Jeff West. Our solar panels have been cleaned and tested. Unfortunately, they are not putting out the advertised wattage any longer. A motion was made and passed to spend up to \$1,200 to replace the old solar panels. Jeff West will procure the new panels for the club.

**Fire Extinguishers:** Rudy Cummings stated the fire extinguishers we purchased in the spring have been mounted in the sun shelters where they are easy to get to.

All other past agenda items from 2024 have been closed.

## **New Business**

**Club Officer election:** As per our by laws, club officers will be elected in December of even number years to begin their terms for the following two years. Results of the election are: President - Rudy Cummings, Vice-President - Randy Baker, Treasurer - Ed West, Secretary - Brady Wattenburger. Congratulations to the new club officers.

## **Show and Tell**

**John Lupperger:** John showed two newly built sailplanes, which he designed in the 1980's while he was working for Hobby Lobby. The first plane, named

**“EZ Answer” has a 2 meter wing span. The second plane, named, “Metric” has a 72” wing span. The wings are interchangeable, which leaves a possibility of configurations.**

**With no further business, the meeting was adjourned at 10:54 am.**
