

# **Airfoiler Meeting Minutes**

## **April, 2024**

The April meeting of the Coffee Airfoilers was held April 6th 2024 at the club field. The Meeting was called to order at 10:11am by Club President Rudy Cummings. There were 9 members present.

Club Treasurer Sandy Green was unable to attend - Club Secretary Paul Green read her report to the members present. The club membership currently stands at 99 members. A discussion about PayPal fees for dues paid on line resulted in a request to update the website. Members who pay on line will be asked to pay their dues using the "Friends and Family" option when they pay dues.

### **Old Business**

**Revised By-Laws.** Club President Rudy Cummings called for a vote to adopt the revised bylaws. The measure passed unanimously. The new by-laws will be posted on the website.

### **New Business**

**Public Relations:** Ed West presented a flyer he had been working on the members. The flyer is an invitation to the public to come learn to fly R/C airplanes. A motion was made and seconded to authorize up to \$100 to print the flyers. Ed will get pricing.

**Club Road sign.** Secretary Paul Green made a motion the road sign be moved forward from its current position and made double sided. Club President reminded the members that this idea had been discussed at the April 2023 meeting, but was tabled. He stated the sign needs to be made more visible. After some discussion, two sign companies were suggested for estimates. Rudy stated he would take the sign and see what the cost would be to make a second sign made.

**Fund Raiser/club promotion items.** Secretary Paul Green showed the members an example of a coffee mug and a t-shirt with the club logo. These items can be used as an ongoing fund raiser. A discussion followed. Randy Baker stated that Bill Crawford had done similar club logo products - with limited success. It was agreed to not make a motion to purchase mugs or t-shirts from club funds, but to make the cups and t-shirts available for anyone who wanted one to order.

**Flight Line Safety, Ken Pertuis stated he had concerns about flight line safety with multiple planes in the air. After discussion - Club President Rudy Cummings reminded everyone to review and follow our club Field Rules. He also stated the our newly adopted By-laws offer a process to resolve any flight safety violations.**

## **Show and Tell**

**Paul Green passed copies of the February “Model Aviation” magazine for everyone to see the article on our “Music City Warbirds and Classics” event held October 5-7 2023. Fellow club member Stan Alexander is a staff writer for the magazine, and wrote a nice article about the event.**

**With no further business, the meeting was adjourned at 10:51am**
