

Airfoiler Meeting Minutes

July 2023

The July meeting of the Coffee Airfoilers was held July 8th, at the club field. Club Vice President Jonathan Holt called the meeting to order at 1038 am. There were 17 members present.

Club Treasurer Sandy Green presented the financial report. She also reported we currently have 124 members. A motion was made to accept the treasurer's report. Motion seconded and approved.

Field Maintenance. Club Vice President Holt reported that Club President Cummings had a bid of \$622.00 for a load of top soil to fill the low spots in the field. He is seeking additional quotes.

Flight Training: Vice President Holt asked the status of the training program. Training Coordinator Paul Green reported that as of June, we have had fewer students in 2023 than in 2022 by June. There had been several weeks when only the instructors were at Saturday training.

Old Business

Charge Station Batteries: The replacement batteries for the charging station have arrived. Jeff West will install them after the club meeting is over.

New Metal Roofing for the Concession stand: Bill Crawford is seeking a second quote for the roofing from Eagle Metals of Shellbyville to be considered in addition to the quote from Watson Metals.

Float Fly (6-10-23) CD Mike Jenkins reported a light turn out for the event, but the weather was perfect! A good time was had by all who attended.

Longest Day Picnic (6-17-23) There were approximately 50 people, (members and family) who attended. Hamburgers and Hot Dogs and drinks were provided by the club and every brought a dish to pass.

Fly Away Cancer (6-24-23) CD Bill Crawford was not able to attend, but had posted on the "Coffee Airfoilers and Friends" Facebook page that the event had raised over \$7,300 for the Multi County Cancer Support Network!

New Business

Dog Daze Old Timer & Glider FunFly: August 4th & 5th. Vice President Jonathan Holt will be the CD.

Giants Over Tullahoma Fun Fly: August 18th & 19th. CD BillCrawford.

2024 Winter Banquet: Vice President Holt asked the members present for any ideas to increase attendance. He also asked if anyone felt there was a need to possibly change venue. After some discussion the matter was tabled for further discussion at later date.

Show and Tell

Nick Shone Showed the Old Skool Models "56" he had just built. He stated he had made the model electric and it flys very well. The design is a re-make of the Carl Goldberg Models Falcon 56.

With no further business, the meeting was adjourned at 11:05 am.
