May 2024

The May meeting of the Coffee Airfoilers was held May 4th, 2024. At the Club Field. There were 17 club members present. The meeting was called to order by Club President, Rudy Cummings at 10:04 am.

Financial Report: Club Treasurer Sandy Green presented the financial report. She also reported the club has 103 members, as of April 30th, 2024.

Public Relations: Ed West stated he has a flyer ready to take to a printer. The flyer invited the public to come out and visit the club and learn to fly R/C. He will get copies printed this month.

Old Business

Club Road Sign: Club President Rudy reported that he had contacted Sign-A-Rama and received a quote to have a 4'x6' sign on aluminum for \$499.00. After a brief discussion, a motion to approve the purchase of the sign from Sign-a-Rama was made, seconded and approved by the members present.

Club Fund Raiser: Club Secretary Paul Green again mentioned the idea of Club T-Shirts and coffee mugs. After some discussion, it was agreed to make an order form option available to members on the membership renewal page.

New Business

Arnold Air Force Base Liaison: Don Cleveland. The AEDC Base Services Contract is expired. There may be a new service provider to win the contract. Don will keep us informed. Most likely, the change will not affect us or our use of our current flying site.

Club Meetings: Club President Rudy Cummings requested comment from the members present regarding our monthly meeting schedule. His intent was to find out if anyone believed a change in date or time would help get more club members to attend the monthly meetings. After a lively discussion, with a good input from almost every member present it was decided to leave the schedule as is.

With no further business, the meeting was adjourned at 10:35 am
