12:00-1:30pm

Celebrate the beauty of spring by creating your very own May basket!

In this hands-on workshop, participants will have the opportunity to design and craft unique baskets with your own personal touches.

This is a welcoming and relaxed environment where creativity and self-expression are encouraged. Whether you're an experienced crafter or trying something new for the first time, step-by-step guidance will be provided to help you bring your vision to life.

Beyond crafting, this session offers a chance to connect with others, share ideas, and enjoy the satisfaction of creating something beautiful with your own hands. All supplies are included—just bring your imagination and a willingness to explore your creative side!
