NOTES

Walk-off carpet, unlike standard carpeting, is specifically engineered to withstand heavy foot traffic and dirt accumulation, making it ideal for entrances and high-traffic areas. Its unique construction incorporates durable materials and innovative designs that effectively trap dirt and moisture, preventing them from spreading onto surrounding floors. With its superior resilience and easy-to-clean properties, walk-off carpet offers both functionality and aesthetic appeal, enhancing the longevity and cleanliness of any space it adorns.

**Proudly Made
In The USA**
