INTRODUCING THE FOUNDER

Vernetta Wood-Dunbar

ABOUT ME

Paula Educational Consulting is owned and operated by Vernetta Wood-Dunbar. She has over 30 years of experience in the health field including pharmacy, billing and coding, and data management. She is a certified coder and biller and has worked with some top employers including Merck Pharmaceuticals and Oscar Health. She's held many leadership positions including the most recent, Vice President of Revenue Cycle Management. She also implemented the Medical Assisting Program 13 years ago at Central Career School in South Plainfield, NJ.

Vernetta's dream is to give back to others. Creating Paula Educational Consulting is one of the ways in which she can use what she has learned to help make someone else's career goals possible. An educator at heart, she provides the most intimate and rich experience through her teaching. She combines real life with academics and will make sure you're ready and confident to successfully take certification exams and apply for jobs.

Vernetta's motto is: *"Failure is not an option because anything is possible."*
