SWEEPING OUT THE OLD

Time to Put Your Home in Order for 2024

Spring cleaning is by no means a new idea. Many cultures across the world share this tradition.

Jewish tradition dictates a thorough clean before Passover. Many Middle Eastern and Asian cultures celebrate the new year in the spring, on or around the vernal equinox. In those, a thoroughly cleaning acknowledges and welcomes the new year. After the holiday season the first of a new year is the best opportunity to open up your home and let the stale air and lingering dust and odors finally be expelled.

But for many of us, this yearly ritual is not looked upon with zest or great expectations of a clean outcome. After weeks of cooking, presents and kids at home, we just want to limp into a new year with as little fanfare as possible. This whole task can be turned into a great experience if you just leave this yearly ritual to those who do it best. There are great cleaning services in the area, like **Mighty Maids** that can handle this task for you, giving you the clean home you want without the hassle of doing the work yourself.

Give yourself the ultimate present for 2024. Call **Mighty Maids** today and let them handle all the dusting, mopping, vacuuming, baths, kitchen grease and give you a home ready for all the fun ahead. 🇺🇸

TAKE YOUR LIFE OUTSIDE

TRADITION

OUTDOOR LIVING

Everyone is looking for their place in the sun. Whether it's a pool, a outdoor kitchen or a grand three-level deck, if it's outside, it's where everyone wants to be.

The past three years have definitely spurred an outdoor living movement. Beginning with the pandemic, families embraced their backyards with a new interest. Now that they have discovered all the ways to enjoy their outdoor spaces, they are looking for more ways to take all different activities into the outdoors.

Tradition Outdoor Living is working with all the residents in the area to shift from just a one space entertainment space to a true living space for families. From a simple grill for BBQ to pizza ovens, and wood fired or gas combination stoves and grills that can cook every-

thing from a simple chicken to a five course dinner.

From specialty lighting to fire pits and dedicated athletic and game courts, the backyard is where family life is happening. Toss in a TV, movie projector and specialty items like a kegerator and soon outdoor living becomes your own private resort.

Tradition Outdoor Living is dedicated to bringing creative projects to life with quality craftsmanship, professionalism, and exceptional customer service. To build long lasting and enjoyable outdoor living spaces that improve the lives and homes of the residents of our area. 🇺🇸

Top 3 Smokers For Your Outdoor Kitchen

CLASSIC PIT BARREL SMOKER

When it comes to smokers, you can always go old school with the simplicity of the Pit Barrel Cooker. It makes grilling fun again with its simple but incredibly effective design. VAULT SMOKER

SET IT AND FORGET IT – This jewel of smokers holds a steady temperature for long periods of time and uses very little fuel. It can also burn several types of fuel from charcoal with wood chunks, lump charcoal, or even small splits of wood. 🇺🇸

TRAEGER IRONWOOD GRILL

Traeger grills provided the most consistent flavorful results and the most versatility. The wood-fired flavor is delivered cleanly, there is an ease of use that is unparalleled. The versatility of the indirect heat and consistency of the wood pellets gives the user the ability to grill smoke, bake, roast, braise and BBQ.
