You can always spot the student who spent their summer with Mathnasium.

Summer is the ideal time to do something that will give your child a huge advantage when school resumes in the fall: Accelerate their math skills with Mathnasium.

Mathnasium's personalized Learning Plans are proven to improve grades and help kids catch up and get ahead in math. With live face-to-face instruction, either in-center or online.

And don't worry — your child will still enjoy their summer. Because we make learning math fun.

# Festive Easter Eggs

Bounce Into Easter This Year with Colorful Decorated Eggs

## Carrot Top Eggs

Easily give your eggs a cute carrot top. Dye or paint boiled eggs orange. Green felt is cut into fringe to create the carrot top before being attached with hot glue.

## Easter Egg Pinatas

Everyone loves a festive Pinata for Easter. Blow out eggs and dye different colors. Carefully fill empty shell with confetti and dollar bills then decorate with fringed tissue paper pasted into outside of the shell. Hot glue a ribbon or string loop to the top of the eggs so it can hang

## Finger Print Eggs

These super simple finger-print Easter eggs are a great way to decorate Easter eggs with your kids. Dye eggs or leave natural white and carefully put child's finger into acrylic paint and press finger on the egg. With a sharpie, add definition to eggs.

## Glamours Jeweled Eggs

Dye boiled eggs or leave natural and glue rhinestones in different patters around your eggs.

## Pipe Cleaner Eggs

Skip the dying and grab some plastic eggs for this fun project. You will need 3 or 5 cleaners of the same color for each eggs. Attach the end of the pipe cleaner with a drop of hot glue and begin to coil around eggs using dabs of glue to make sure it sticks. Complete using as many pipe cleaners as you need to eggs.

## Blooming Easter Eggs

So easy to do and so spring time. Dye eggs and let dry. With a dot of hot glue, add small silk flowers to each egg. 🌸

# Come, Sit A Spell!

*Pour yourself a large glass of ice tea and remember the old farmhouse porch. The one that wrapped around the sides of the house and bid you to sit and wave to friends as they passed by. The old porch with creaky boards where a big old comfy swing made everthing okay with the world. The farmhouse porch that most of us yearn for, but don't have.*

That great old porch feeling has been made new by **Tradition Outdoor Living**, complete with patio or porch that bids you to just come sit a'spell and enjoy. Proving that you don't have to go back in time to totally enjoy spending time with friend and family in a space that is designed for comfort and enjoyment.

Be it a small space or a whole back yard, **Tradition Outdoor Living** works with you to transform your space into the place of your dreams. And, unlike the creaky porch of yore, your space can be relaxing while you enjoy the modern conveniences like outdoor kitchens, fireplaces, swimming pools and more.

Call **Tradition Outdoor Living** today and let them show you what they can create for your ultimate relaxing outdoor space – **832-829-5829**. 🇺🇸

# 3 Top "Must Go" for Bluebonnets this Spring

*It's not spring in Texas without a trip west of town to view the Bluebonnets. So here are the best places within a hours drive to view Texas Spring in all its beautiful blue glory!*

## 1 Brenham, Texas

You don't have to take any back roads, just drive Hwy 290 west toward Brenham and up and down the highway you can easily spot a bounty of Bluebonnets. Stop at Chappel Hill on the way and your find Bluebonnets in every nook and cranty of the town. It's also a great place for pictures in the mounds of flowers without worrying about traffic.

## 2 Washington on the Brazos State Park

Enjoy a little history with your Bluebonnet hunt. Here, Bluebonnets, gaillardia, coneflower and pink evening primrose cover sections of the park, creating spectacular opportunities for photographers. Check out the Star of the Republic Museum and the Barrington Living History Farm while you are there. So much to see and do at this beautiful historical spot but just don't pick the Bluebonnets. Picking wildflowers is prohibited on park lands.

## 3 Bellville, Texas

Half way between Brenham and Sealy on Hwy. 36, Bellville is awash in bluebonnets and other spring flowers. All roads into Belville are lined with Bluebonnets and this small town is a delight to visit even when they aren't blooming. No visit to Belville is complete without stopping by Newman's Bakery and sampling all the great pastries, cookies and other baked goods they have fresh out of the oven. 🇺🇸

# Time for a Spring Turkey Hunt 2022

While a standard 12 gauge shotgun is the most used firearm for hunting turkeys, your shells require more than a standard bird shot to take down a large

tom. Solid hunting loads need to be effective at a variety of ranges including up close (less than 15-yards) and much further away (40-yards). Turkey loads also need to cycle reliably in your shotgun, have a predictable pattern. With recent advances in shotgun ammunition technology, your reach with your shotgun can be extended much further than previously thought

Check with **AGR Outdoors**, for all your gun and ammo needs for a great Turkey hunt this year. **832-334-4862** 📍

We are in the mist of Spring Turkey season and in Texas it is a rite of spring to head to the Rio Grand bush or the rolling hills of North and East Texas looking for a award winning gobbler. The Rio Grande is the most abundant of all areas for wild turkey, but East, and North Texas are great areas for hunting.
