IVF & SURROGACY PROGRAM: (STANDARD PACKAGE)

试管婴儿辅助生殖 & 代孕项目：（标准套餐）

This service package was drafted and established by Shu, Ming, the legal representative and director of MING SHU IVF IVF Co., Ltd. (hereinafter referred to as "we" or "the Company"), and signed with the client (hereinafter referred to as "you" or "the patient"). This service package outlines the translation, accompaniment, coordination, liaison, and other non-medical services provided by MING SHU IVF IVF Co., Ltd. to the patient during ovarian stimulation and surrogacy procedures. This service package is essentially a service package. As the service provider, our company internally provides the non-medical services included in this package and makes every effort to help patients successfully complete the IVF and surrogacy process. The medical services included in the package are provided by your chosen clinic/hospital, and the final interpretation right belongs to your chosen clinic/hospital. All service contents are listed here. Any fees not included in the package will be listed separately in the contract with the patient, and these fees are subject to change. The final amount is based on the actual occurrence time.

本服务套餐由 MING SHU IVF 试管婴儿有限责任公司（以下简称“我们”或“公司”）法人及董事 Shu,Ming 起草并制定，并与客户（以下简称“您”或“患者”）签署。本服务套餐阐明了 MING SHU IVF 试管婴儿有限责任公司在卵巢刺激促排卵和代孕过程中为患者提供的翻译、陪同、协调、联络及其他非医疗服务。本服务套餐本质上是一个服务套餐，作为服务提供商，我司内部自己提供服务套餐中包含的非医疗服务，并尽一切努力帮助患者成功完成试管婴儿和代孕过程程序；套餐内的医疗服务由您选定的诊所/医院提供，最终解释权归您所选诊所/医院所有。所有服务内容均已在此列明。套餐未包含的任何费用将在与患者的合同中单独列出，且这些费用可能会有所变动。最终金额以实际发生时间为准。

Note: Which clinic you choose for ovarian stimulation is 注意：您选择进行卵巢刺激促排卵的诊所/医院是 _____。

我们会提供卵巢刺激促排前的预处理药物清单和使用说明（如有必要）。

- We offer medications before starting ovarian induction(extra payment).

如有需要，我们会提供促排卵前的药物（套餐外服务）。

1.2 Professional Medical Plan Before IVF 促排卵前的专业医疗方案

- We offer submit inspection reports to doctor for medical consultation and confirm the treatment plan.

将患者的检查报告提交给选定的诊所进行会诊，与医生协商并确认治疗方案。

- We offer communicate with doctors to conduct a feasibility analysis of the ovarian stimulation plan.

与医生沟通协调，对试管婴儿前促排取卵方案进行可行性分析。

- We recommend a suitable clinic based on the inspection results and advise the patient to undergo ovarian stimulation to obtain the best IVF program plan before starting stimulation.

根据检查结果推荐合适的诊所，并建议患者在开始促排卵治疗前进行促排卵，以获得最佳治疗方案。

1.3 Flights and Hotel Accommodation 机票和酒店住宿安排

- We recommend you to book flight time and help you plan your itinerary before starting IVF.

我们会在您开始试管治疗前，根据您的喜好为您推荐合适的航班时间和行程安排。

- Standard Package,we offer hotel or apartment booking service during first IVF program .

标准套餐，我们协助您寻找舒适性酒店或公寓供您在第比利斯进行首次治疗试管期间入住，并在接娃期间帮您预订公寓住宿。

- We offer assistance service with visa applications (if needed), guidance on entering and leaving Georgia, travel insurance.(from Jan 1, 2026, all tourists must purchase travel insurance in advance).

我们会协助您办理签证申请（如有需要），指导您出入境格鲁吉亚与购买旅行保险。

- We offer a commonly used medications list for patients from China mainland .

我们会为来自中国大陆的患者提供备用药物清单。

- We offer unlimited internet SIM card for 2 adults during the ovarian stimulation program.

促排治疗期间，我们会为两位成人提供无限流量上网 SIM 卡。

- We offer one month unlimited internet SIM card for 2 adults during newborn.

新生儿生产期间，我们会为两位成人提供一个无限流量上网 SIM 卡。

1.4 Patients' Appointment and Translation Service 陪同就诊翻译服务

- We offer making appointments with the clinic and dr.

我们提供诊所及医生预约服务。

- We offer English-Chinese translation services during the IVF program(also can offer other language translation such as Russian).

我们提供中英文医疗翻译服务（如有需要，可提供俄语及其他语言的翻译服务）。

- We offer solutions for emergencies that may occur during ovarian pick up program(OPU).

我们为取卵过程中可能出现的任何紧急情况提供解决方案。

- We offer communicate with doctor about patient's situation after ovarian pick up.

我们提供取卵后与医生沟通患者身体情况的服务。

1.5 Signing the Power of Attorney (POA) and Contracts 签署授权委托书和代孕、捐赠合同

- We offer necessary documents for the whole program,translation and make appointments with notary bureau, accompany patients to notary bureau and sign the power of attorney(POA).

我们提供项目所需的文件，包括翻译服务，预约公证处并陪同患者前往公证处签署授权委托书。

- The Attorney is authorized to act as the representative of the Principal, potentially as a parent, at the LEPL National Agency of Public Registry of the Ministry of Justice of Georgia, the LEPL Public Service Development Agency of the Ministry of Justice of Georgia, notary bureaus, and all other state, non-state, and public institutions. The scope of authorization includes:

受托人有权代表委托人（可能是父母）在格鲁吉亚司法部下属的国家公共登记局、公共服务中心、公证处以及所有其他国家、非国家和公共机构办理相关事宜。授权范围包括：

- Conducting negotiations with natural persons and legal entities.
与自然人和法人实体进行谈判。
- Signing all types of contracts, agreements, annexes to contracts, applications, and consents.
签署各类合同、协议、合同附件、申请书和同意书。
- Handling bilingual and multilingual contracts related to the services of transplantation and upbringing of embryos into the uterus of a surrogate mother.
处理与胚胎移植和代孕相关的双语和多语合同。
- Managing agreements on cryopreservation and storage of biological materials such as sperm, eggs, and embryos, including arranging for their transportation to any other clinic or country.
管理精子、卵子和胚胎等生物材料的冷冻保存和储存协议，包括将其运送至其他诊所或国家。
- Overseeing the donation of donor ovums(eggs) and/or sperms and managing all related contracts concerning egg/sperm donation and surrogacy on her behalf.
监督捐卵和/或捐精事宜，并代表其管理所有与卵子/精子捐赠和代孕相关的合同。
- Determining terms, amounts, and other conditions at her own discretion.
自行决定条款、金额及其他条件。
- Concluding agreements with herself if necessary.
必要时与其自身达成协议。
- Making amendments to any of the aforementioned agreements or documents, correcting any inaccuracies, mistakes, or errors found.
修改上述任何协议或文件，纠正任何不准确、错误或疏漏之处。

- Making payments and presenting appeals or statements to any state or competent body in Georgia regarding the transplantation and upbringing of embryos.

就胚胎移植和培育事宜，向格鲁吉亚任何州或主管机构支付款项并提交申诉或声明。

- Submitting and receiving applications and documents, managing requests for the issuance, change, or correction of birth certificates.

提交和接收申请及文件，管理出生证明的签发、变更或更正申请。

- Receiving answers to statements, signing documents, and undertaking any necessary actions required for the implementation of the given task.

接收对声明的回复，签署文件，并采取完成指定任务所需的任何必要行动。

1.6 Surrogate Mother/Donor Selection & Embryo Transfer 代孕母亲/捐赠者候选人筛选及胚胎移植

- Coordinate with surrogate mother/donor agency and offer patients candidates' CV.

与代孕母亲/捐卵机构协调，向患者提供候选人简历。

- Make interview/ video call for patients and the surrogate mother/donor candidates.

对患者和代孕母亲/捐卵者候选人进行面谈或视频面试。

- Analyze the surrogate mother's uterine condition to confirm her physical condition is suitable for embryo transfer and pregnant, and assist her with physical training. If need to check candidates abroad before coming to GEORGIA or special needs, may need additional payment .

分析代孕母亲的子宫状况，以确认其身体状况适合胚胎移植和妊娠，并协助其进行体能训练。如果需要，在候选人来格鲁吉亚之前在国外进行检查或有特殊要求，可将产生额外费用。

- Inform the patient of the embryo transfer procedure and offer pregnancy care reminders.

负责向患者讲解胚胎移植流程，监测移植后护理，并提供孕期护理提醒。

- Standard package, we offer 1 ovarian stimulation OPU for patient or egg donor & 2 attempts of frozen embryo transfer(FET) try for same surrogate mother(in case of first try is not successful, we offer second embryo transfer try for free).

标准套餐，我们为每对患者或卵子捐赠者提供 1 次卵巢刺激取卵 (OPU) 和 2 次冷冻胚胎移植 (FET) 尝试（如果第一次移植尝试不成功，同一个代孕母亲提供第二次胚胎移植）。

- Customize screening criteria based on the surrogate mother's circumstances and discuss pricing details with surrogate mother. (Additional costs will be based on the time of occurrence.)

根据代孕母亲的情况定制筛选标准并与代孕母亲讨论价格详情。（额外费用根据发生时间而异）

- Treatment costs for patients with Sexually Transmitted Diseases (STDs) and the time required for transporting biological materials may need to be extended, and the surrogate mother payment willing to undergo embryo transfer for patients with Sexually Transmitted Diseases will also increase accordingly. Specific costs will be quoted separately when they occur.

性传播感染患者 (STDs) 的治疗费用以及生物样本运输所需时间可能会延长，愿意为性传播感染患者进行胚胎移植的代孕母亲的费用也将相应增加。具体费用将在发生时另行报价。

1.7 Surrogate Mother Maternity Care & Prenatal Screening 代孕母亲孕期护理&产检

- We offer communicate with the hospital to obtain basic pregnancy care for the surrogate mother, can choose to upgrade to a premium package.

我们会与医院密切沟通，为代孕母亲提供基本的孕期护理，您可选择升级为高级套餐。

- We offer the surrogate mother with the most appropriate nutritional advice and diet plan.

我们会为代孕母亲提供最合适的营养建议和饮食规划。

- We offer the surrogate mother medications and ensure they take medications as prescribed.

我们会为代孕母亲提供孕期药物，并确保她按医嘱服药。

- We offer to assist the surrogate mother in scheduling prenatal screening and keep her informed of pregnancy progress (at least once per month, the specific frequency depending on the clinic's prenatal screening schedule). reports, screenshots, or videos of each prenatal checkup are required. If patients wish to upgrade to bi-weekly or weekly reporting, an additional fee will be charged.

我们会定期协助代孕母亲安排产前检查，并会及时告孕期情况（至少每月一次，具体频率取决于诊所的产前检查安排）。每次产前检查都需要提供报告、截图或视频。如升级为更密集的产检，将产生额外费用。

- We offer the surrogate mother apartment with a comfortable bedroom with fully equipped (2 SM in 1 bedroom). patients can visit surrogate mother if they agree. To facilitate the supervision and management of surrogate mothers' medication and healthy diet.

我们会为代孕母亲提供一套配备齐全的舒适卧室公寓（两个代妈住一个卧室）。如果代孕母亲同意，委托人可以在不会打扰她的生活情况下探望。为方便监督与管理代孕母亲即时用药与健康饮食，我们暂不接受患者对于代母的独立卧室住宿请求。

- Maintain close communication with the clinic and answer the patient's questions.

我们与诊所保持密切沟通，解答患者的疑问并满足其需求。

- We will notify you promptly to make payment according to the agreed payment plan. Patients will be responsible for any problems caused by payment delays.

我们会及时通知您根据约定的付款计划进行付款，因付款延迟导致的问题，患者需自行承担责任。

1.8 Emergency & Maternity Care Guidance 紧急情况及产妇指南

- Communicate promptly with the surrogate mother regarding her delivery status.

及时与代孕母亲沟通分娩情况。

- Collaborate with the clinic to handle any newborn emergencies.

与诊所合作，处理新生儿的任何紧急情况。

- offer newborn care training for new parents and shopping list of essential baby supplies.

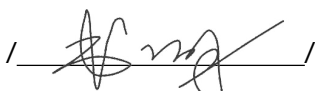

提供新生儿护理培训和新手父母指南，以及婴儿必需品购物清单。

- Pediatrician general follow-up after delivery.

安排产后 1 次儿科医生体检。

- Help the patient to find a nanny or Infant Care Center (if needed) .

协助患者寻找保姆或婴儿护理中心（如有需要）。

1.9 Documents after Surrogate Mother Gives Birth 出生后文件办理

- We offer obtaining the baby's birth certificate .

我们提供协助办理婴儿出生证明的服务。

- We offer one DNA paternity test(one newborn&mother or one newborn& father).

我们提供协助办理 DNA 亲子鉴定（新生儿与母亲或新生儿与父亲）。

- We offer obtaining the baby's documents (passport or travel document) at the embassy.

我们提供在使馆办理婴儿文件（护照或旅行证件）的协助服务。

- We offer remind booking flight after getting all documents for newborn.

我们会在您拿到所有文件后提醒您预订回程机票。

- We offer airport drop-off service when you leave Georgia with a newborn.

当您带着新生儿离开格鲁吉亚时，我们提供机场送机服务。

1.10 Service Completion & Contract Termination 服务完成&合同终止

- This package is valid for 18 months from the date of contract signing. It typically terminates automatically once the infant obtains a passport and leaves Georgia. If parents require an extension of stay in Georgia, the contract will terminate automatically upon the newborn obtaining a passport.

本套餐自合同签订之日起有效期为 18 个月。通常情况下，婴儿获得护照并离开格鲁吉亚后，合同将提前自动终止。如果父母需要延长在格鲁吉亚的停留期限，则新生儿获得护照后，合同将自动终止。

II. Risks and Responsibilities 风险与责任

2.1 Authorization and Signing the Contracts 授权与合同签署

- As the authorized representatives, we are obligated to sign contracts on behalf of the patient with the clinics, surrogate mothers, and donors (if). These contracts will be translated and notarized to ensure the patient receives all the benefits included in the package.

作为授权代表，我们有义务代表患者与诊所、代孕母亲和捐赠者（如有）签署合同。这些合同将经过翻译公证，以确保患者获得套餐内包含的所有权益。

- Patient should sign a separate contract with clinic on the day of OPU.

患者应在取卵当天与医疗机构签署单独的合同。

2.2 Confidentiality Clause 保密条款

- We are obligated to keep the patient's medical records, diagnoses, and treatment reports confidential during the execution of this contract and after its termination.

在本合同履行期间及终止后，我们有义务对患者的医疗记录、诊断和治疗报告保密。

- Disclosure of confidential information is permitted under the following circumstances:

在以下情况下允许披露保密信息：

- With the patient's consent. 经患者同意。

company representative
კომპანიის წარმომადგენელი

patient A
პაციენტი A

patient B
პაციენტი B

- When nondisclosure would endanger the life safety of the patient and/or a third party (identified).

披露会危及患者或第三方（已指明）的生命安全。

- For scientific research, popular science, publicity, patient information must be presented in a way that does not identify the individual.

用于科学研究、科普、宣传等用途时，患者信息的呈现方式必须不识别个人身份。

- Information that has become or will become publicly available independently of the parties or as required by law.

已公开或将要公开的信息，且该信息并非由双方提供，或法律要求披露。

2.3 Information Accuracy 信息准确性

- We offer assistance to patients in verifying the authenticity of the information. We are not obligated to any additional costs or time incurred due to incorrect information offered by the clinic or other third parties.

我们会协助患者核实信息的真实性。对于因诊所或其他第三方提供错误信息而产生的任何额外费用或时间，我们概不负责。

- We will not be liable if patients offer incorrect documents or certificates. If this affects the interests and reputation of the company, we will pursue legal action and seek compensation.

如果患者提供错误的文件或证明，我们概不负责。如果这影响到公司的利益和声誉，我们将采取法律行动并寻求赔偿。

2.4 Medical Risks 医疗风险

- All medical procedures carry risks, patients should consider carefully before starting any medical treatment.

所有医疗程序都存在风险，患者在决定接受任何治疗前应仔细考虑各种选择。

- We are obligated to monitor clinics and doctors to ensure the quality of medical services. The final interpretation of all medical outcomes rests with the medical institution you choose.

我们有义务监督诊所和医生，以确保医疗服务的质量，所有医疗结果的最终解释权归您选择的医疗机构所有。

- We are not obligated to assume responsibility or pay compensation for medical malpractice caused by the clinic's negligence.

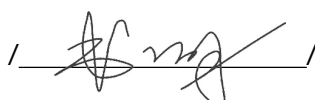

对于因诊所疏忽造成的任何医疗事故，我们不承担任何责任或赔偿义务。

- In case of a serious medical malpractice incident, we will assist patients in seeking legal services to protect their rights. (related costs are borne by the patient)

如发生严重的医疗事故，我们可以协助患者寻求法律服务以维护其权益（相关费用由患者承担）。

2.5 Service Adjustment and Contract Termination 服务调整及合同终止

- We will do our best to assist patients. For any additional services not included in the package, MING SHU IVF reserves the right to charge a corresponding fee.

company representative
კომპანიის წარმომადგენელი

patient A
პაციენტი A

patient B
პაციენტი B

我们将尽力协助患者。对于套餐内未包含的任何额外服务，公司保留收取相应费用的权利。

• If patients unilaterally delays, suspends, terminates, or cancels the contract due to personal reasons, it will be considered a breach of contract. Fees already paid will not be refunded, and a penalty of 30% of the total cost of the service will be charged.

若患者因个人原因单方面延迟、中止、终止或取消合同，将被视为违约。已支付的费用不予退还，并收取服务总费用 30% 的违约金。

• After we promptly notify you of payment, any medical risks arising from the patient's delayed payment shall be borne by the patient. If the patient breaches the contract terms or delays payment, the company has the right to unilaterally terminate the contract.

若我们及时通知您付款后，因患者延迟付款而导致的任何医疗风险，患者需自行承担后果。若患者违反合同条款或延迟付款，公司有权单方面终止合同。

• In case of force majeure such as natural disasters, war, or social unrest, neither party shall be liable for breach of contract. Neither party shall be entitled to a refund or compensation for losses; the contract performance period should be extended through negotiation.

如遇自然灾害、战争或社会动荡等不可抗力事件，双方均不承担违约责任，亦无权要求退款或赔偿损失；合同履行期限应通过协商延长。

2.6 Agreement and Legal Validity 协议及法律效力

• This package agreement is signed in accordance with Georgian law and equally protects the rights and obligations of both the patient and the surrogate mother / egg donor/sperm donor.

本套餐协议依据格鲁吉亚法律签署，平等保障患者和代孕母亲/捐精者的权利和义务。

• This package agreement is made in duplicate and shall become effective upon signature or seal by both parties.

本协议一式两份，经双方签字或盖章后生效。

2.7 Responsibilities and Right of Interpretation 责任与解释权

• We may assist you in arranging relevant examinations under the guidance of the attending physician, subject to the clinic requirements. All examinations and medical treatments shall be independently performed by the hospital and the attending physician, who will bear full responsibility.

我们可在主治医师的指导下，根据诊所要求，协助您安排相关检查。所有检查和治疗均由医院和主治医师独立进行，并由其承担全部责任。

• We may offer accompaniment services related to ovarian stimulation treatment, including assistance with registration, coordination, and necessary interpretation, but will not participate in any medical procedures.

我们可提供与促排卵相关的陪同服务，包括协助登记、协调和必要的翻译，但不参与任何医疗操作。

• We will offer medical interpretation and accompaniment during consultations. The interpretation service is limited to faithfully conveying the original meaning between doctor and client and does not constitute medical advice.

company representative
კომპანიის წარმომადგენელი

 
patient A patient B
პაციენტი A პაციენტი B

我们将在咨询期间提供医疗翻译和陪同服务。翻译服务仅限于忠实地传达医生与患者之间的原意，不构成医疗建议。

• In case of any emergency during the stimulation period, we will help patients promptly contact the hospital and offer information-based advice based on experience. All medical decisions and treatments shall be determined and carried out by the hospital/clinic.

如在促排卵期间出现任何紧急情况，我们将协助患者及时联系医院，并根据经验提供信息建议。所有医疗决策和治疗均由医院/诊所决定和执行。

• We will arrange for patients to undergo infectious disease(STDs)testing at the hospital or a qualified testing institution prior to OPU. The testing institution is solely responsible for the accuracy and legality of the results.

我们将安排患者在取卵前于医院或合格的检测机构进行传染病检测。检测机构对检测结果的准确性和合法性负全部责任。

• All possible medical procedures will be conducted in clinics or hospitals. Patients, surrogate mothers, and donors will voluntarily sign relevant agreements with the clinic. The clinic and medical institutions have the final right to interpret all medical results. MING SHU IVF LLC will not take any medical actions without authorization and will not assume any responsibility for medical consequences.

所有可能的医疗程序均在诊所或医院进行。患者、代孕母亲和捐卵者将自愿与诊所签署相关协议。

诊所和医疗机构对所有医疗结果拥有最终解释权。本公司未经授权不会采取任何医疗行动，且不承担任何医疗后果的责任。
