LEARNING OBJECTIVES

TEAM SRG LEADERSHIP INSTITUTE (TSRGLI) program is designed for pastors, leaders, and members of the local church who wish to earn a degree in Christian ministry or pursue individual courses through the Ladderized Education Program (LEP). This program allows students to begin with seminary courses that are creditable toward a college degree and continue for one or two additional years to complete their studies.

Modules:

Each course has six modules to complete. The first four modules are called the General Modules and compulsory to all students. The last two modules are called the Specialization Modules. These modules cover specific, practical areas of pastoral ministry under the same below list of categories:

- specialized ministries;
- specialized pastoral care;
- evangelism and outreach;
- other topics.

A minimum of two modules from each category is required. (No more than three modules may be from any one category.) Modules will ordinarily involve as scheduled by the instructor. Credit will be assigned for modules. Student attendance is required, and assigned reading assignments.

Prior Learning and Life Experience Credit:

Traditionally, college credits are earned in formal classrooms within the academic semester. However, TSRGLI believes that extra-institutional learning and life experiences can also be valid for college credit and therefore awards credit for relevant work duties, volunteer work, non-credit courses, seminars, and workshops. This feature could significantly reduce the amount of time it will take you to earn your Bachelor's Degree Program.

DEGREE REQUIREMENTS

The Bachelor of Theology is a 120-credit program (without a prior Bachelor's degree), or (ii) a 90-credit program (holder of any bachelor's degree) or (iii) a 60-credit program (for those who are pastoring for at least 10 years).

Students must achieve satisfactory academic standing (a grade of 2.5 or better) in all required courses and the complementary courses specified in year three, and accumulate sufficient acceptable credits to make a total of either 60 or 90-credits, in order to receive their degree.

It should be noted that students who take the AB(BA) Theology program as part of the Master of Divinity program need to maintain a minimum CGPA of 2.5 to be eligible for the M.Div. degree. Normally the program credits must be earned within two years from the date of entrance.

GENERAL REQUIREMENTS

1. At least 18 years old
2. Christian for at least 2 years
3. Evidence of involvement in ministry
4. Evidence of call to ministry and service
5. Endorsement by church leadership

GRADUATION REQUIREMENTS

1. Completion of 126 credit program studies excluding field education.
2. Minimum GPA of 2.5
3. Term paper/Research Paper

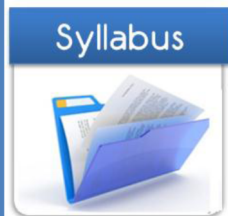

Our curriculum emphasises four kinds of important competencies and capacities to cultivate in our students.

Below is an example of the topics or areas you may develop and work on during your studies. By no means is it a complete or required list as TSRGLI programs do not follow a standardized curriculum. It is meant solely as a reference point and example.

- The Diploma in Biblical Studies program requires the following 64 units of academic credit for graduation.
- The Bachelor's Degree program requires the following 120 units of academic credit for graduation.

FLEXIBLE SCHEDULES

Due to the online, distance learning nature of the Bachelor's Degree Completion Programs, you will have a completely flexible schedule. You do not need to wait for registration dates and semesters to begin; you can start your program at any time. TSRGLI offers self-directed study completely online, so you can study on your schedule in the convenience of your home.

**WHY IS THIS COURSE RELEVANT TODAY?**

Today, educational opportunities and access to school information are often limited, as many institutions compete to survive by finding a unique niche that sets them apart from others. TSRGLI was founded on this philosophy - to provide clear pathways for students, leaders, and associates to upgrade and continue their education through a “low quantity, high quality” approach to academic distinction.

IS THIS COURSE SELF-PACED?

Yes! All of our courses are self-paced. By putting our students in the driver’s seat we enable you to optimize your own learning curve and complete the course at your own pace.

DO I NEED TO PASS AN EXAM TO FINISH THE COURSE?

No. We’ll monitor your progress along the way and intervene if necessary.

ARE THERE PREREQUISITES FOR THIS COURSE?

Applicant enrollee are expected to be at least high school graduate or have successfully complete High School Equivalency Exam (ALS) before being allowed to enroll for the baccalaureate level.

HOW LONG WILL IT TAKE TO COMPLETE THIS COURSE?

AB Theology course will roughly take 720 hours to complete, with each of the 6 modules taking on average 2-4 hours a day to complete. The learning experience will be most effective when you finish at least one lesson per week.
