

Jim receives an overwhelming amount of fan mail and truly appreciates hearing from his fans. Due to the demand for autograph requests, we do have a policy in place:

A seventy-five dollar (\$75) donation to the **Hunter's Hope Foundation** is required per item with one-hundred percent (100%) of the proceeds going to the foundation.

Hunter's Hope was established in 1997 by Jim and his wife Jill, after their infant son, Hunter was diagnosed with Krabbe Leukodystrophy, an inherited, fatal, nervous system Disease. The foundation is the Kelly's lifelong commitment to increase public awareness of leukodystrophies as well as to increase the likelihood of early detection and treatment. Their ultimate goal is to raise money to fund research efforts to identify new treatments, therapies, and a cure for Krabbe and other leukodystrophies.
