EXECUTIVE PROTECTION AGENT

This foundational course comprehensively covers the fundamental principles of executive protection. Aspiring protective agents receive in-depth training in the operational foundations of executive protection techniques, encompassing both theoretical understanding and practical application.

COURSE SUBJECTS

- Principles of executive protection
- Comprehensive site and route surveys
- Proficiency in risk, threat, and vulnerability assessments
- Ensuring residential and travel security
- Expertise in the use of force
- Mastery of defensive tactics
- Formations for movement on foot
- Arrival and departure protocols
- Procedures for motorcade operations
- Effective radio communication practices
- Protocols, attire, and etiquette
- Emergency procedures and contingency planning
- Written and practical assessments, including an in-town exercise

ATTIRE AND EQUIPMENT

- Business casual attire required daily (no jeans)
- Season-appropriate rain or weather gear
- Outfits suitable for defensive tactics training
- Business attire is mandatory for the final training exercise (suit or slacks, jacket, tie, and appropriate shoes)

RECOMMENDED EQUIPMENT

- A laptop computer or tablet (strongly recommended)
- A thumb drive (USB Stick)
- Camera or camera phone capable of direct download to the laptop.

REQUIREMENTS

- Minimum age requirement: 21 years
- Mandatory submission of a clean criminal background check without any felony records
