# HECPO CLOSE PROTECTION OPERATIVE IN HOSTILE ENVIRONMENT

THE HOSTILE ENVIRONMENT CLOSE PROTECTION OPERATORS COURSE (HECPO) IS  
A THEORY AND COMPETENCY BASED TRAINING PACKAGE.

The course has been designed specifically for students who already have close protection training. The course is intended to raise the standard of traditional close protection training to the next level allowing students to operate safely and effectively within challenging theatres around the world.

### What students can expect:

The course covers the training gaps not covered by the Close Protection Course such as Weapon training, mine awareness, tactical movements with weapons on foot and vehicle, including extractions under fire, walking drills and anti-ambush vehicle drills.

The course offers further training such as weapons training, kidnap & ransom, tactical movements with weapons on foot and vehicle, including extractions under fire, walking drills and anti-ambush vehicle drills for those individuals looking to work in High Risk or Hostile Environments.

### PREREQUISITES

- Must be 21 years of age
- Must provide a no-felony Criminal Background Check
- Security or investigation license, government credentials and updated

### ASSESSMENT

- At the end of the course, students will have completed the necessary material to receive their certificate
- Written and practical evaluations including an in-town exercise

### GEAR

- Comfortable clothes for indoor and warm clothes for outdoor.

**Students are required to bring a notebook and laptop.**
