

A Message from the Noble Grand

Aloha Brothers and Sisters,

This year marks 25 years since the attacks of September 11, 2001. As we remember that day, we remember those who lost their lives and the families who lost loved ones. We also remember the first responders, service members, and so many others who stepped forward to help during a time of incredible loss and uncertainty. I hope each of us will take a moment on September 11 to remember and reflect. Friendship, Love, and Truth are more than words we use as Odd Fellows. They are values we can put into practice in how we treat one another and how we serve our community. Helping others, even in small ways, is one way we can continue to live those values. As we look ahead, one thing Harmony Lodge needs to continue working on is getting more involved in our community.

We have received several potential service opportunities. Instead of having the same officers organize and lead each event or service project, we would like to encourage any member who is interested to take the lead on a project.

Possible Service Projects

If any of these service projects speak to you, please let me know. You don't have to take it on alone. We can find other Brothers and Sisters who are interested and work together to make it happen. Our Lodge doesn't become stronger just because we meet twice a month. It becomes stronger when our members find something they care about and invite the rest of us to join them. Thank you, Brothers and Sisters, for everything you do for Harmony Lodge and for one another. I look forward to seeing what we can accomplish together this fall.

In Friendship, Love, and Truth,

Eric Kerr, NG

 Serving with Aloha

On Saturday, August 29, Harmony Lodge members and friends volunteered with Lanakila Pacific Meals on Wheels, helping pack nutritious meals for seniors across the island. Meals on Wheels serves more than 900 seniors and delivers nearly 300,000 meals each year. Mahalo to everyone who shared their time and aloha to make a difference in the lives of our kupuna!
