Lighting Design Consultancy

PRICED VERSION

BATHROOM

inspired by lighting

As a high street retailer in a competitive market, we understand that our customers have many choices on where to shop, both on the high street and online. With this in mind, we have designed and sourced a unique lighting range, which we are proud to offer our customers. We have historically offered a wide array of products, suitable for all needs and this new range is certainly no exception.

Whether you are looking for that unique statement piece with outstanding design, have a project to complete or just want something that is not run of the mill, then this catalogue will fill you with design ideas, the highest of quality products, and a huge range of over 1500 items. In fact, with a little bit of creativity the possibilities are endless. This catalogue has taken decades of experience, picking out inventive, outstanding design concepts, not just as single products, but many ranges offering complementing suites of lighting to suit all your needs. From traditional to modern and contemporary, indoor and outdoor, this catalogue collection has everything to transform the ambience of any residential or commercial environment.

We pride ourselves on offering a personalised service to all of our customers. We endeavour to provide that personal touch to ensure you are guided and advised to purchase the most appropriate lighting for your needs and have a professional experience. You can rest assured that you can contact us for any after sales service you may require, but most importantly the new collective offers something for everyone at exceptional prices.

Whilst we hope you find our latest collections inspiring, we also value any customer feedback and look forward to being of service to you.

...let there be light

EVEQUE

Offering a creative design which is appealing when both illuminated and not, this IP44 wall lamp collection takes two opal white tubular diffusers and intertwines them to produce a twist shape. When paired with the polished chrome metal framework a modern fixture is designed to inventively project the integral 3000K LEDs ideal for bathrooms.

CORNOUR

Recessed wall lights are ideal for outdoor areas such as lighting pathways, pool areas or gardens without causing obstruction. These fashionable IP65 rated fixtures are formed with modern, chic panes of black or white glass. The integral LEDs are set back at an angle to better direct the projection of light. Each colour is available in two sizes; a small square or a larger rectangle.

SCHRADER

Unlike other ceiling lights, the round plate of this LED bathroom fitting sits completely flush against the ceiling. This eradicates the common gap seen on most fixtures caused by the bracket back box behind the plate, giving you a cleaner more seamless look. The 3000K LEDs are housed within a deep frosted glass diffuser which sits in the centre of the metal plate.
