Lighting Design Consultancy

# PRICED VERSION

**PLASTER & PAINTABLE**

# inspired by lighting

As a high street retailer in a competitive market, we understand that our customers have many choices on where to shop, both on the high street and online. With this in mind, we have designed and sourced a unique lighting range, which we are proud to offer our customers. We have historically offered a wide array of products, suitable for all needs and this new range is certainly no exception.

Whether you are looking for that unique statement piece with outstanding design, have a project to complete or just want something that is not run of the mill, then this catalogue will fill you with design ideas, the highest of quality products, and a huge range of over 1500 items. In fact, with a little bit of creativity the possibilities are endless. This catalogue has taken decades of experience, picking out inventive, outstanding design concepts, not just as single products, but many ranges offering complementing suites of lighting to suit all your needs. From traditional to modern and contemporary, indoor and outdoor, this catalogue collection has everything to transform the ambience of any residential or commercial environment.

We pride ourselves on offering a personalised service to all of our customers. We endeavour to provide that personal touch to ensure you are guided and advised to purchase the most appropriate lighting for your needs and have a professional experience. You can rest assured that you can contact us for any after sales service you may require, but most importantly the new collective offers something for everyone at exceptional prices.

Whilst we hope you find our latest collections inspiring, we also value any customer feedback and look forward to being of service to you.

# GUGGERNULL

This industrial collection can be applied to a domestic or commercial setting. The secure surface mount base hosts the GU10 lampholders in both the one and two light versions. The standard colour finish is white but the gypsum material allows for the product to be painted in the consumer's chosen colour to better comply with the theme of the room setting.
