TIFFANY

inspired by lighting

As a high street retailer in a competitive market, we understand that our customers have many choices on where to shop, both on the high street and online. With this in mind, we have designed and sourced a unique lighting range, which we are proud to offer our customers. We have historically offered a wide array of products, suitable for all needs and this new range is certainly no exception.

Whether you are looking for that unique statement piece with outstanding design, have a project to complete or just want something that is not run of the mill, then this catalogue will fill you with design ideas, the highest of quality products, and a huge range of over 1500 items. In fact, with a little bit of creativity the possibilities are endless. This catalogue has taken decades of experience, picking out inventive, outstanding design concepts, not just as single products, but many ranges offering complementing suites of lighting to suit all your needs. From traditional to modern and contemporary, indoor and outdoor, this catalogue collection has everything to transform the ambience of any residential or commercial environment.

We pride ourselves on offering a personalised service to all of our customers. We endeavour to provide that personal touch to ensure you are guided and advised to purchase the most appropriate lighting for your needs and have a professional experience. You can rest assured that you can contact us for any after sales service you may require, but most importantly the new collective offers something for everyone at exceptional prices.

Whilst we hope you find our latest collections inspiring, we also value any customer feedback and look forward to being of service to you.

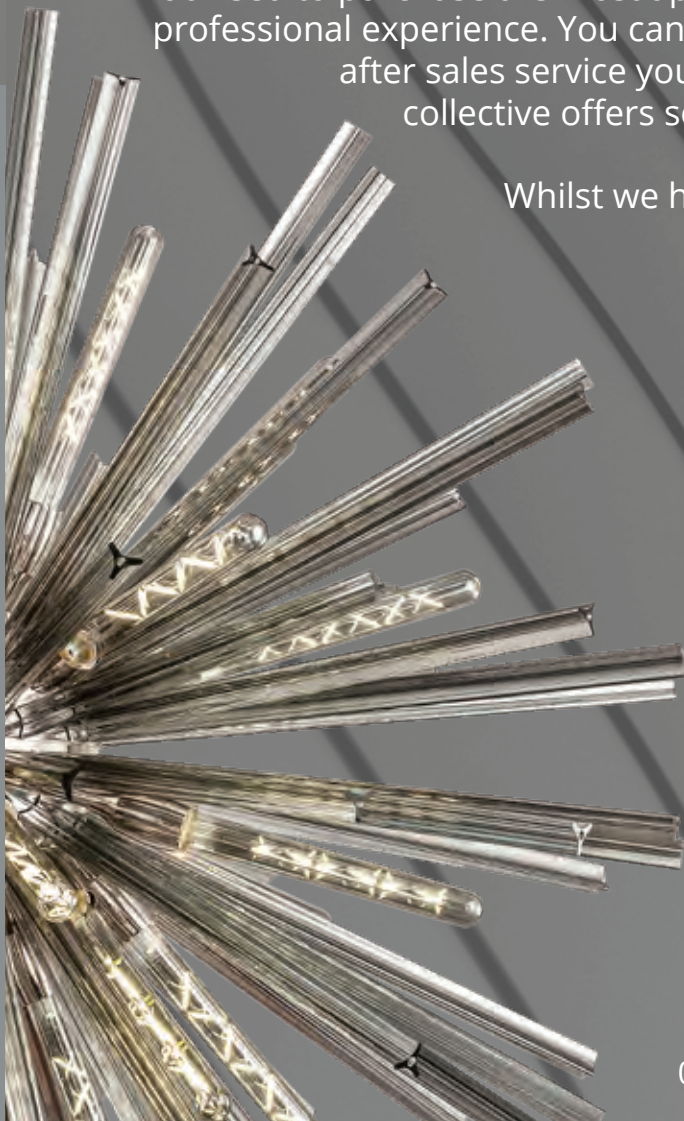

...let there be light

HAUNOLD

The vintage effect of the Tiffany glass is interpreted to reflect Aztecan artistic creations with the shapes and positioning of the glass pieces being furthered by the shape of the shade itself. Giving this range a subtle modern edge the shades are embedded with clear crystal pieces in keeping with the monochrome palette of coloured glass.

CEVEDALE

The stylish fanned effect of these attractive Tiffany shades offer a pleasing uniformed symmetry. The traditional Tiffany design, which has outlasted countless modern trends, has been maintained with the sumptuous cream and amber colour finish. The non-electric shades can be used with pendants, ceiling, table and floor lamps.

COLTORONDO

A classically traditional Tiffany shade collection, this range pairs primary colours with a more neutral cream to create a balanced combination of beautiful Tiffany glass. The familiar dragonfly pattern is slightly modernised with the clear, high quality crystal pieces in place of the more expected glass drops adding a touch of sparkle for a new age setting.

SCHWARZHORN

This table lamp is in keeping with antique Tiffany designs using neutral traditional cream and amber coloured glass. The base of the shade displays appealing patterns with amber glass offset against the cream background. Within the centre of the amber triquetra form there are clear crystal pieces to refract the light and add a touch of sparkle to this generally classic lamp.
