YOUR HEALTH INSURANCE COVERAGE MAY **LEAVE YOU WITH OUT-OF-POCKET EXPENSES**

Here's a simple solution to help cover these costs!

+ ADVANTAGE PLUS® WILL PAY YOU BENEFITS FOR:

HOSPITAL CONFINEMENT

Does your current health insurance policy have a daily co-payment if you are confined to a hospital? If your answer is yes, you're not alone.

Several of today's most popular insurance policies have hospital co-payments that can range anywhere from \$150, \$200, or even \$250 a day. Needless to say, these expenses can add up quickly. For example, let's say you needed a six day hospital stay and your health insurance policy has a \$150 co-payment. That one hospital stay alone would cost you \$900.

Advantage Plus can provide you with benefits of up to \$250 per day based on the policy you choose.

With Guarantee Trust Life's Advantage Plus insurance policy, you can choose a daily benefit amount between \$40 and \$250 per day should you be admitted to a hospital to help cover this co-payment. The 31-day benefit period will restore after 60 days of not being confined to a hospital.

Benefits are paid directly to you so you can use the funds any way you choose.

+ Observation Stays Covered

People may be stunned to find out that after being confined in the hospital for days, they weren't covered if their stay was categorized as "hospital observation." GTL's Advantage Plus covers both hospital confinement and hospital observation.
