NEW METERS

The District is upgrading water meters in the system, giving customers new technology that will help manage and track their water usage. This improves leak detection and provides more opportunities for water conservation. Customers have access to meter reads, usage and alerts through an on-line application called EyeOnWater. Please keep meter pits clean of debris and obtain from putting any metal or objects over meter pit lids.

Steps to Create an EyeOnWater Account

1. Enter your service or billing address ZIP/Postal Code.
2. Enter your account number as it appears on your water bill. Don't have a copy of your water bill? Contact the office at 785-654-3711.
