**Most of you should have received an email from Stu concerning political signs. Please make sure all your signs have been removed.**

I am still getting complaints and comments about dogs on the golf course and excessive barking. Our rules state clearly that NO pets are allowed on the course. This includes the cart path and area between path and homes. Barking must be controlled. Do not leave dogs outside the house unattended.

I would like to remind everyone to watch their speed on our streets. Many residents & contractors continue to speed, and disregard stop signs. This is a very serious problem. **PLEASE SLOW DOWN.**

We've had several reports of someone walking on the golf course late at night. Also, someone possibly attempting to enter a house that's not theirs. I ask that residents stay off the golf course at night. It is not safe for walkers due to many tripping hazards. If you have a stranger trying to get into your house, please call 911. We try to keep our community safe and we can continue to help keep you safe with everyone's assistance. Be sure to lock the house, shed, & car at night. To be even safer lock up during the day also.

We have two (2) projects coming up. Wiremen will be here Wednesday, February 3<sup>rd</sup>, to install brighter LED bulbs in the streetlights. In March, the pool will be replastered. This job could take over 30 days to complete. When done, the pool should be beautiful. We are in the process of getting new pool furniture also. With this talk about the pool, I can't wait for warm weather again.

Thanks for your continued support!

## Activities Committee – February 2021

Once again this is a shortened message due to all activities we didn't hold last month.

The Un-decorate of the clubhouse event went as planned and a big "Thanks" to all that joined the fun.

## MARK YOUR CALENDAR

We are going to schedule an Activities meeting for this month, Wednesday the 24<sup>th</sup>. As usual, coffee will be at 9:00am followed by the meeting. That usually gets rolling around 9:30, give or take a few minutes.

Just want to encourage everyone to stay safe, stay positive and pray for more snow at the ski area.

Hopefully as things loosen up, we will start scheduling activities. As usual, I will use our email to let you know what's happening. If you wish to be included in these mailings, please send me an email at: [stu1942egerton@gmail.com](mailto:stu1942egerton@gmail.com). I will add you to my Desert Greens address book.

We post updated reports every month.

**CLUB CHAMPIONSHIP:** It's hard to believe it's that time again since we just had one a short time ago. The committee is beginning to make plans for the 2021 Club Championship.

**WINTER IS UPON US.** It's that time of year, please be aware of **ice** on the golf cart paths and **ice** while walking on the golf course. Also stay off the course when the **course closed** signs are up

### **SAND TRAPS: USGA RULE 19.3: Relief for a ball unplayable in a bunker.**

A player decides that his or her ball in a bunker is unplayable. The player has **four (4) options:**

- 1) For one penalty stroke, the player may take stroke and distance relief. (back where you hit it from)
- 2) For one penalty stroke, the player may take-back-on-the-line relief in the bunker.
- 3) For one penalty stroke, the player may take lateral relief in the bunker. (2 club lengths)
- 4) For a total of two penalty strokes, the player may take back-on-the-line relief outside the bunker based on a reference line going straight back from the hole through the spot of the original ball.

### **TALES FROM THE TEE:**

Drowning your sorrows: After a particularly poor round, a golfer spotted a lake as he walked despondently up the 18th. He looked at his caddie and said, "I've played so badly all day, I think I'm going to drown myself in that lake." The caddie, quick as a flash, replied, "I'm not sure you could keep your head down that long."

**Butch (Don) Walters**  
**Golf Committee Chairman.**

Maybe next month we'll have a real calendar again.
