HOA BOARD MESSAGES

Welcome to summer in Southern Nevada. Temperatures will hit 100 soon. Hopefully, our pool will be open by July 1st barring any more hold ups. Adams Pool Solutions will be here June 16th to start plastering. We're not 100% sure how soon after the plastering, it can be opened. We do apologize for the late opening but, it has been out of our control. The spa is open and being heated 24/7 for now.

I would like to remind everyone that all HOA Board members and committee members are volunteers. No one receives any compensation for doing what they do. Every member of Board & committees takes many hours out of their week to make and keep our community a very desirable place to live.

All residents need to take a hard look at their property. Many homes need painting, weeds pulled and general clean up. Let's get all this done so the ACC doesn't need to send letters. This is about being responsible. Not just your own property but the entire community. People are not picking up after their dogs, tossing cigarette butts on the ground, and placing trash in front of dumpsters instead of in it. Everyone received a copy of the "Rules & Regulations". Be sure to read and understand these. This is especially important. Whenever you want to do any landscaping, painting, or planting you **MUST** submit an ACC request. Your request **MUST** be approved before the project is begun. When you receive the approval form, you must display that form in a place that can be seen from the street. If you do not get approval, you will be required to stop the project until it is approved.

The only way to keep Desert Greens as great of a community as it is, is with everyone's cooperation.

Thanks for your Support

Activities Committee – June, 2021

This month's Activities write-up comes to you from Sodom Mountain Campground in Southwick, Massachusetts. Evie and I arrived here Wednesday, about the time the Activities meeting was starting. Unfortunately, instead of coffee and snacks (Happy Birthday Buzz), we started cleaning up from all the mouse activity from the past two winters.

Cinco de Mayo was well attended and enjoyed by everyone. (Free margaritas are always a hit). Those that weren't able to sign-up in time seemed to enjoy being able to buy what they wanted from the food truck.

By the time you read this the Veterans get together, Bunco, and Memorial Day events will have occurred. If everything lives up to its hype, these should be successful also.

The Welcome Committee activity has resumed with Linda Feliciano and Tami Stevens greeting our new residents. Their enthusiasm should go a long way to getting more of our new residents involved in the community.

Many of the regular activities are starting to make their way back on our calendar (finally) so be sure to look at it. A sampling is Double-Deck pinochle, Darts, and Meditation.

Some slow starters are the putting contest, Bingo, and the Texas Hold'em Poker. These will eventually return, just not this month. When Bingo does rear its head, it will be for residents only (unless there is a last-minute reprieve).

Looking ahead (slightly) to July, the 4th will feature the golf tournament and the golf cart parade. Decorated carts (and bicycles, etc) will meet at the clubhouse at 6:30 and the parade will start at 7:00. See the golf section of the Senior Moments for more tournament details. I personally will be struggling on our courses back east and trying to out drive my 29-year-old grandson. Keep you posted on that.

The next Coffee hour and Activities meeting will be June 23rd hosted by Nancy Suter. Coffee starts at 9:00am followed by the meeting, usually around 9:30.

As usual, I will use email to let you know what's happening, even from the far reaches of the East coast. If you wish to be included in these mailings, please send me an email at: stu1942egerton@gmail.com. I will add you to my Desert Greens address book.

THE WELCOME COMMITTEE

WELCOME BACK THE WELCOMING COMMITTEE

We are excited about the process of relaunching the Desert Greens welcoming committee. Our target date is August 1st, 2021. In the meantime, let me tell you a little about us.

My cohort on this committee, is Linda Feliciano. She and her husband (Jerry) moved here in 2014, and they live at 415 Belair Ave. If the name sounds familiar, Linda's brother is Ernie Feliciano. Linda's number is 503-806-5068.

My husband (Gary) and I (Tami) moved here in 2019. However, my mother lived here from 2006 until she passed away in 2018. We live at 354 Brentwood. My number is: 818- 426-0209.

We also have a silent partner, many of you already know, Janell.

We look forward to welcoming all new residents to Desert Greens Community.

DARTS ARE BACK:

Starting Friday, June 11th at 6:00PM. We will draw teams based on how many players show up.

The dart boards are up, if you want to practice you're welcome to do so. You don't need to bring darts: there are 2 sets of darts (3 darts to a set) and a scoring marker on each dart board. If there are any questions, or you need a little help, feel free to call or text us.

Memorial Day Tournament:

The Memorial Day golf tournament was held on Monday, May 31st. Hope everyone had a good time playing in the Tournament and enjoyed the barbecue.

Hitting another ball while on the putting green. Golfers have been asking about the rule and penalty regarding hitting another ball while on the putting green.

USGA rule 19-5a for a ball played on the putting green in stroke play is: If the player's ball in motion hits another ball at rest on the putting green and both balls were on the putting green before the stroke, the player putting gets the two (2) stroke penalty. It is the person doing the putting responsibility to ask the person in front to mark his ball. (This rule does not apply if you are off the green).

Safety First!! The Golf Committee is asking residents to be aware of golfers on the golf course in the mornings during league golf. The start time for the month of June is 8:00 AM. We ask that you avoid walking this area from 8:00 to 11:30 a.m. You are putting yourself in harm's way and risk getting hit by a golf ball which could cause serious injury. Golfers try to be aware of residents, but accidents do happen. Let's all use caution; and be aware that there are golfers and walkers out at different times of the day.

Golf Committee Chairman.
