March, 2021

Please have articles to me for next month's newsletter by Thursday, March 25, 2021

This is the 61st "Senior Moments" I have written for. It has gotten extremely difficult to do each month. I hate to continue talking about the same things but, I feel I must.

- ✚ We are still seeing too many residents speeding. Remember 15MPH.
- ✚ Still many large boxes are being placed in dumpsters without being broken down. Take the extra minute to break them down.
- ✚ Cigarette butts are a constant problem. It seems as if people are dumping butts at gates, inside and out. This really looks bad. Please hang on to your cigarette butts and dispose of them properly.
- ✚ Due to the wind, we occasionally have, much trash gets blown around. If you're walking and see trash, please dispose of it. Inspect your property and do the same.

I always ask residents to read and understand our CC&R's and Rules & Regulations. These documents are essential to keeping our community a great place to live. Some sections of these documents are sometimes misunderstood. If you are not sure of something, please contact the HOA office and we will try to explain them.

A couple of rules that I know are misunderstood are:

- ❖ CC&R section 8.16 Signs.
In a condensed version it states no sign, poster etc. may be displayed in public view without approval. It doesn't say political signs, which ARE permitted during elections but, MUST be removed immediately after election.
- ❖ Section 8.17 Flag Restrictions.
Says Only US Flags and Nevada State Flags no larger than 3' x 5' may be displayed. All US Flag regulations need to be followed.

It requires "all of us" to keep Desert Greens a very desirable place to live.

The next HOA Board meeting will be March 10th at 10 A.M. It will be available on zoom. We welcome all new residents to the Community.

Thanks for your continued support!

Activities Committee – March, 2021

Hi all.

It's starting to look like things might be improving. At the ski area, things are not quite so glum, although they are still rigidly enforcing face masks. It just seems there is more optimism now. Whatever. Here at Desert Greens, there is some of that optimism also. For the first time in a few months, we can announce some upcoming events and even issue a calendar of events. Whoopee!!

MARCH EVENTS - Mark your calendar:

A putting contest will start on **March 17th at 1:00pm**. As always, everyone is invited and encouraged to participate. In the past, the regular golfers (also known as duffers) will contest separately from the non-golfers (known as the sane ones). If we have some good attendance, this could turn into a monthly (or more frequent) event. Join the fun!!

In March, league golf will be starting at 10:00am. See the Golfers Corner in another section of this newsletter for more information.

The next Coffee hour and Activities meeting will be **March 24th**. Judy Mouer will be hosting the Coffee hour. Coffee starts at 9:00am followed by the meeting, usually around 9:30. Getting the card games started will be a prime topic at that meeting. Come on out and join us.

APRIL EVENTS:

Meet and Greet - We are hoping to get more outdoor activities going in the upcoming months. In that vein, a "Meet and Greet" is planned to be held on the patio on Sunday, April 11th, weather permitting.

Community yard sale: With any kind of luck the community yard sale will be on April 24th. Marietta Rio volunteered to take reservations for tables that residents may need. Volunteers are needed to man the front gate, handle the community tables, etc. Contact Buzz or myself if you wish to assist. More information will be in the April newsletter.

As usual, I will use our email to let you know what's happening. If you wish to be included in these mailings, please send me an email at: stu1942egerton@gmail.com. I will add you to my Desert Greens address book.

Club Championship: The annual spring Club Championships will be held in April. It will be the usual 3-day tournament and you must play all three (3) days to qualify for payouts. Watch for a sign-up sheet in the golfers area by the back patio. Start times will probably be 9:00 A.M. The dates and payouts are listed below:

The payouts will be 3 places at \$50/\$30/\$20 = \$100.00

The payouts will be for 6 places, Flight A and B each at \$50/\$30/\$20 = \$200.00

GOVERNOR SISOLAK: We remain under the Directives of Governor Sisolak's guidelines until further notice.

TALES FROM THE TEE:

- Real golfers don't cry when they line up their fourth putt.
- Golfer: that can't be my ball, it looks to old. Caddie: It's been a long time since we started.
- I don't want to accuse him of cheating, but once he had a hole-in-one and scored it as a zero.
- Your problem is standing to close to the ball... after you hit it.
