

First Class Information:

- Please print off and fill out the registration form and bring it with you to the first class or fill out as a fillable pdf, e-sign and email it to me before class.
- Payment is due at the beginning of the first class – cash, check, credit cards, and debit cards are accepted. You can also pay on my website through PayPal with a PayPal Account or a credit/debit card.
- The first Private Class must be pre-paid before 24 hours of the appointment.
- **Enter through the “Arena” door and without your dog (even if you have been here before)** on the first class for the first 10 minutes so I collect the registration form and payment, make sure you have read and understand the policies and get familiar with the arena. You can also grab some treats if you do not have any with you. At this time, I will discuss with you how to enter the arena when you bring your dog in – especially if they are reactive or over excited.
- **Agility participants- dogs must be in a crate during class in between runs.** You are welcome to leave an extra crate at the arena. Before class you can come in to get it set up without the dog, then bring the dog into the arena and put into the crate- when class is over, take the dog out to the car then come back and put the crate away.
- You will be required to have your dog in something they cannot get out of- harness or martingale collar are preferred – flat collar is ok if you know they cannot get out of it. **Dogs must be on a leash and kept at least 6’ from each other in all areas inside the arena and outside in the parking lot (unless otherwise instructed) for all classes.** NO Retractable leashes are allowed- 6’ (or less) regular leash is preferred without anything attached to it.
- You will need treats/food, a treat bag, big pockets, or apron ...something to put treats/food in- try not to bring plastic baggies they are too hard to get treats/food out of consistently and easily.
- Park facing East – towards the car lot. Potty area is along the East and South end of the lot – Do not cross over the irrigation ditch- that is someone else’s property.
- The class area floor is sand – dress clothes and sandals, high heels are at your own risk.
