Note:

1. In case of changes in international ratings and index methodologies, this Attachment shall be introduced with the relevant changes and additions, that provide the redistribution of "KPI" by their structural indicators to the responsible government agencies.

2. The "KPI" of the indices "Global Competitiveness", "Productivity of Competitive Industry", "Global Innovations", "Index of Regulatory Restrictions on Foreign Direct Investments", "Openness of the Budget" are determined after reflecting the role of the Republic of Uzbekistan in them.

3. The "KPI" on "Sustainable Development Goals" makes appropriate changes and additions to this Attachment after the introduction of the practice of maintaining statistical data on each structural indicator in the Republic (but no later than December 1, 2020).

4. The "KPI" on international priority ratings and indices for 2023 is developed and the amendments are introduced to this Attachment by the responsible state body until no later than 1 December 2020. Thus, until 1 December of the following year, the "KPI" calculated for the next 3 years is updated and added to achieve the corresponding target for 2030.

5. The set "KPI" years are calculated according to calendar years.
