

Instagram and Facebook 'Birthday Deals' terms and conditions - November 2020

Free Wi-Fi upgrade deal

- Deal is valid for all newly produced Hi-Wall system quotes that are created and accepted between 12th November 2020 and 20th December 2020 only.
- Deal is valid for Hi Wall system quotes produced for existing properties and new builds.
- The brand, make and model of the quoted Hi Wall heat pump system and the Wi-Fi controller will be determined by Queenstown Heatpumps and Refrigeration Limited.
- The customer must purchase a new Hi Wall heat pump system, which has been quoted for by Queenstown heatpumps & refrigeration Limited and will be supplied and installed by Queenstown heatpumps & refrigeration Limited to be eligible for the free Wi-Fi controller upgrade.
- Free Wi-Fi controller is not available to be supplied or installed on any existing heat pump systems that have already been installed by Queenstown heatpumps & refrigeration Limited or any another business.
- Free Wi-Fi controller upgrade is not available on any existing heat pump systems quotes from that have been produced by Queenstown heatpumps & refrigeration Limited prior to 11th November 2020. You must retain a new quote to be eligible for the deal.
- Queenstown heatpumps & refrigeration limited will not refund the cost of any Wi-Fi controllers that they have already installed, prior to 11th November 2020.
- If your Hi Wall system quote is for a rental property and therefore must be compliant with Healthy Homes standards, the home owner / landlord is responsible for producing a report which determines the correct KW heat pump that is required.
- Rental tenants must have home owner/landlords permission prior to contacting Queenstown heatpumps & refrigeration Limited for an in home consultation and quote.
- Wi-Fi controller upgrade is subject to suppliers stock availability.
- This deal is in no way affiliated with Facebook, Instagram or any of our suppliers.
