Dear

I hope this finds you in the best of spirits. For the last year our organization Fair Treatment Reform and Re-entry has been working on a Parole Reform Bill to be introduced into legislature. On February 21, 2019 we began the process of meeting with Senators and most recently on March 19, 2019 meeting with the judiciary committee to find a sponsor to introduce this bill. Enclosed is a questionnaire regarding your experience with the Ohio Adult Parole Board, the purpose of this questionnaire is so that we can present them to the proper legislators to show the unfair and unjust practices of the Parole Board. If you would like to remain anonymous please leave your name and DRC# blank. A request for a copy of the Parole Reform Bill can be sent by a family member to [fairtreatmentreform.bobbijo@gmail.com](mailto:fairtreatmentreform.bobbijo@gmail.com) and a copy will be emailed back to them, or they can go to our website at [www.fairtreatmentreformandreentry.org](http://www.fairtreatmentreformandreentry.org) and download it from there. We welcome any questions or concerns and would love the support from family and friends as we continue to fight for what's right. Thank you for helping us with this cause.

Sincerely,

Fair Treatment Reform and Re-entry
