Accommodation Options

To match the group's preference for the outdoors, unique moments, and active experiences, two hotel options were considered:

Ta' Cenc Hotel & Spa (Gozo)

A peaceful retreat surrounded by cliffs and unspoiled landscapes, offering direct connection to nature and serenity.

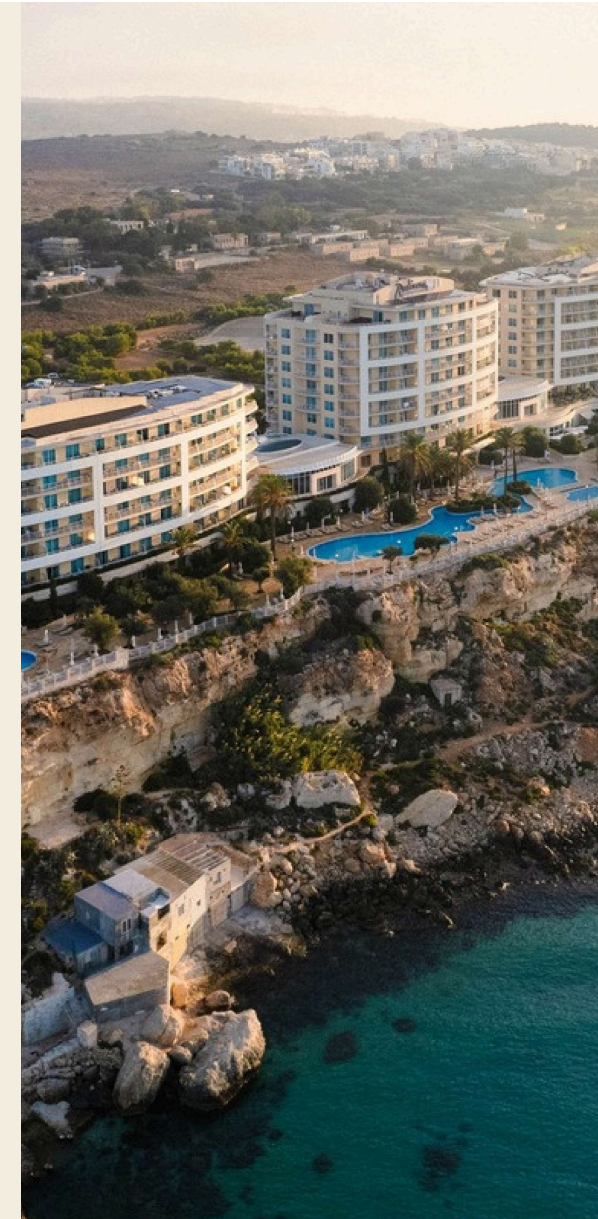

Radisson Golden Sands (Malta)

A premium beachfront resort with sweeping views and excellent access to outdoor coastal routes and activities.

Both hotels provide comfort, authenticity, and environments that support this dynamic programme.

Day 1 - Arrival & Welcome to Malta

The journey begins with guests arriving at **Malta International Airport**, where a dedicated team welcomes them and ensures a smooth transition to private transportation.

A scenic drive across the island leads to Cirkewwa, the departure point for the ferry to **Gozo**.

During the short crossing, guests experience their first impressions of the archipelago: calm waters, limestone cliffs and the serene Mediterranean horizon.

Upon reaching **Gozo**, a final transfer brings them to the selected hotel, offering time to settle in quietly.

The evening concludes with a **Welcome Dinner**, designed to introduce the group to the flavours, atmosphere and hospitality that will define the days ahead.

Day 2 — Gozo Buggy Exploration

The following morning begins with an invigorating dose of exploration as guests embark on a buggy journey across the island.

Moving along rural pathways, terraced fields and cliff-edge roads, they discover Gozo's layered identity: pastoral, rugged, ancient and profoundly scenic.

The experience encourages spontaneity and provides a direct, tactile encounter with the landscape—an introduction to the island's spirit that is both adventurous and immersive.

Salt Pans Experience & Coastal Lunch

The adventure leads onward to the island's historic **Salt Pans**, a network of geometric basins that reflect centuries of artisanal tradition.

Here, guests gain insight into this enduring practice while surrounded by the sound of the sea and the calm rhythm of the coastline.

A relaxed **coastal lunch** follows, set against the natural backdrop of rock, water and open sky.

This peaceful interlude offers a moment of reflection and appreciation for Gozo's simple yet profound connection to the elements.

Speedboat to Comino, Bobby Bond & Sunset

After lunch, the atmosphere shifts into something more dynamic as the group boards a speedboat destined for **Comino**.

Awaiting them is **Bubbly Bond**, an extraordinary and theatrical experience in which waiters descend the cliffs via rope to deliver champagne directly to the group's boat.

This moment blends creativity, sophistication and surprise, offering a scene that feels almost cinematic.

It marks one of the programme's defining highlights, unexpected, refined and truly memorable.

Glamping Night on Comino

As the afternoon evolves into evening, guests are invited to witness the calm transition of Comino's skies at **sunset**.

The island's stillness, combined with its unique palette of blue and gold, creates an atmosphere of serenity that is both grounding and enchanting.

Guests then settle into their **luxury glamping** site, where elevated comfort meets natural simplicity.

Spending the night outdoors provides a rare, intimate experience, one that encourages presence, reflection and a deeper connection to the environment.

Day 3 — Return to Gozo, Check-Out & Three Cities Arrival

The next morning begins with a tranquil speedboat return to **Gozo**.

Back at the hotel, guests gather their belongings and complete check-out, marking the closing of their island-escape chapter.

This transition prepares them for the next stage of the programme: a sophisticated and immersive introduction to Malta's cultural heritage.

A powerboat then carries the group across the **Grand Harbour**, offering one of the most spectacular approaches to the **Three Cities**.

Fort St. Angelo & Knights' Moment

The sweeping views of fortified bastions, traditional harbours and layered architecture provide a dramatic visual prelude to the experiences awaiting them.

Arriving by water enhances the sense of occasion, echoing Malta's maritime identity and centuries of cultural influence.

Standing sentinel over the Grand Harbour, **Fort St. Angelo** embodies centuries of Maltese history.

Guests explore its storied halls, elevated viewpoints and preserved fortifications before gathering for an **elegant buffet lunch** inside its ancient walls.

The experience is elevated further by the appearance of the **Knights of Malta**, offering a refined and immersive re-enactment that brings history to life with dignity and theatrical elegance.

Afternoon Activity Options

The afternoon offers a personalised dimension to the programme, allowing participants to select from three curated experiences:

- **Laster Tag Kordin**

A strategic and high-energy activity hosted within a former prison, encouraging teamwork and friendly competition.

- **Rolling Geeks**

A relaxed and entertaining electric-vehicle tour through the Three Cities, ideal for guests who prefer a light, explorative experience.

- **Harbour Dghajsa Ride & Wine Tasting**

A traditional boat journey paired with a refined wine tasting, offering a quiet, cultural and sensory exploration of Maltese heritage.

Each option provides a unique way to engage with the destination.

Day 4 — Morning Activities

The morning presents a selection of thoughtfully designed experiences, each offering a different form of engagement with Malta:

- A **trekking route** along the island's northern cliffs, offering expansive views and striking natural formations.
- A **cycling experience** through scenic rural paths and coastal stretches, ideal for active guests seeking movement and exploration.
- A culinary and cultural immersion featuring a **Pastizzi-Making Workshop** and **Olive Oil Tasting**, providing insight into Malta's traditional flavours and artisanal practices.

These experiences are designed to encourage participation, creativity and a sense of discovery.

Lunch Experiences

Two contrasting yet equally refined lunch options define the midday programme:

- **Luxury Picnic**

A beautifully orchestrated outdoor lunch in a natural setting, combining elevated gastronomy with tranquillity, visual charm and thoughtful presentation.

- **Lunch at Castello Zammitello**

A distinguished sit-down meal in the gardens of an elegant historic estate, where architecture, atmosphere and refined cuisine create a sophisticated and memorable dining moment.

Both options maintain a tone of elegance and quality suited to the programme's narrative

Team-Building Moments

Team-building activities seamlessly adapt to the chosen lunch setting:

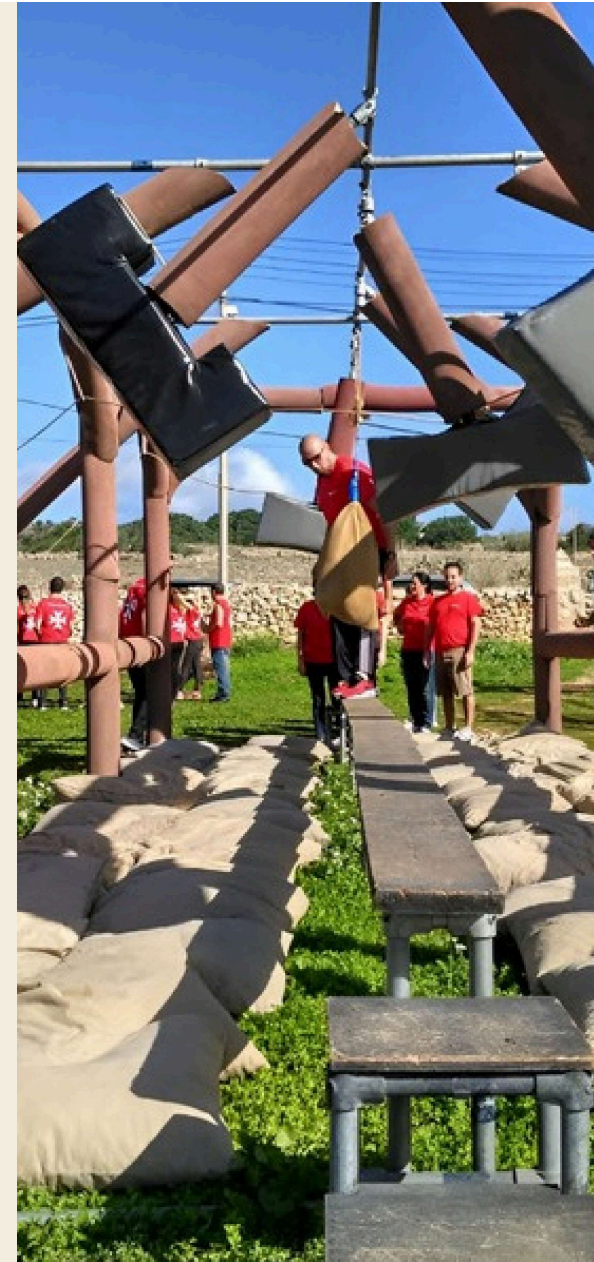

- If the Luxury Picnic is selected

A dynamic **Survival Team-Building Challenge** on the beach, fostering collaboration, creativity and problem-solving in an engaging natural environment.

- If Castello Zammitello is selected

Immersive **Medieval Games** hosted within the castle grounds, blending playful interaction with historical storytelling.

Both options encourage meaningful group connection in an enjoyable and memorable way.

Gala Dinner: The Grand Master Ball

The evening culminates in a prestigious celebration: the **Gala Dinner**. Guests prepare for a night of elegance, sophistication and carefully curated ambiance, with theme "**Grand Master's Ball**", including fireworks. The group can choose between 3 different venues for the Gala Dinner:

- **Palazzo Parisio**

A magnificent palace renowned for its opulent interiors and exquisite gardens, offering a sense of grandeur and refinement.

- **Saluting Battery**

A historic terrace overlooking the Grand Harbour, providing unparalleled views and a uniquely Maltese setting.

- **Limestone Heritage**

An open-air venue built around Malta's iconic limestone, illuminated to create a warm and atmospheric environment steeped in character.

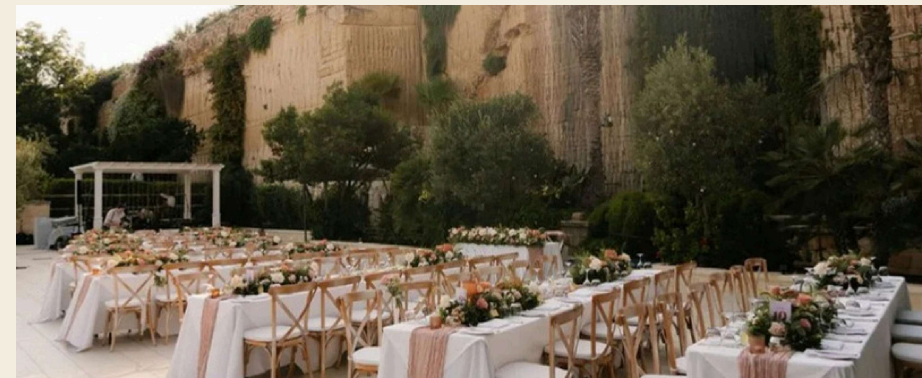

This gala evening serves as the ceremonial conclusion to the programme, honouring the experience in an exceptional setting.
