Commanding Officer’s Comments

Drop-Off and Pick-Up Procedures

The safety and security of cadets are paramount, and the sign-in and sign-out procedure ensures that the whereabouts of each cadet are known at all times. Here's why this procedure is so crucial:

- 1. Accountability:** By having parents personally sign in and out their cadets, the organization can maintain accountability for every individual under its care.
- 2. Parental Involvement:** This procedure encourages active parental involvement in the cadet experience, reinforcing the sense of community and shared responsibility.
- 3. Compliance with Regulations:** NLCC John A. Hamilton is committed to adhering to both Alberta and National division directives, ensuring they are in full compliance with legal and safety regulations.

The Role of the Facilitating Officer

Having an officer stationed at the entrance to the deck to facilitate this process is a thoughtful and practical approach. It offers several benefits:

- 1. Efficiency:** The officer can streamline the sign-in and sign-out process, making it quick and efficient, reducing wait times for parents and cadets.
- 2. Clarification:** If parents have any questions or concerns about the procedure, the facilitating officer can provide clarification and guidance.
- 3. Personal Interaction:** The presence of an officer fosters a sense of community and provides a direct line of communication between parents and the organization.

NLCC John A. Hamilton's commitment to the safety and well-being of its cadets is evident in its adherence to Alberta and National division directives regarding the sign-in and sign-out procedure. By having parents take an active role in this process and providing an officer to facilitate it, the organization not only ensures the security of its cadets but also strengthens the sense of community and shared responsibility. It's clear that NLCC John A. Hamilton is dedicated to providing a safe and supportive environment for the youth it serves.
