consistency.

**Rationale:** The Fouls and Misconduct rule has been revised to eliminate duplicate language and improve usability. The main changes involve reorganizing the existing rule for clarity. Sections have been rearranged to enhance ease of reference, and a new section addressing Stopping a Promising Attack (SPA) has been included. Certain general language in the rule has been modified to align with other rules codes. Section 6, Ejections, provides an ordered list of offenses by severity to allow associations more flexibility for determining post-game sanctions for misconduct. Additionally, an article has been added to clarify that all necessary conditions must be met for DOGSO (Denial of an Obvious Goal-Scoring Opportunity) to be applicable.
