*The Men's Garden Club of Youngstown*  
 89th Anniversary 1930-2019

The Men's Garden Club of Youngstown is one of the oldest garden clubs in the United

States. Our purpose is to create a better understanding of gardening and to encourage and promote the beautification of our community by example and education.

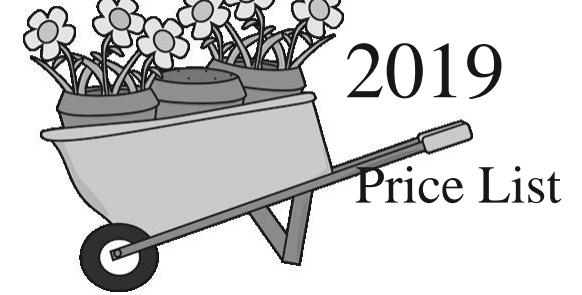

We are a non-profit organization and money we earn from our plant sale is used for:

- Providing scholarships to students who are pursuing degrees in horticulture.
- Conducting our fall horticulture show at Fellows Riverside Gardens.
- Providing our Winter Seminar each February.
- Supporting youth gardening at Paul C. Bunn Elementary School and the youth gardening program at Fellows Riverside Gardens.
- Providing plant material for Youngstown Streetscape.
- Completing projects at MCBDD, MASCO, Leonard Kirtz School and Stambaugh Auditorium.
- Supporting a family gardening program located at the Akron Children's Hospital.

**The greenhouse is located at the Mahoning County Career & Technical Center at 7300 North Palmyra Rd. Canfield, OH 44406**
