

Exhibitor Requirements And Qualifications

Participation in the show is open to anyone interested in growing plants.

All Participants must register and receive a registration number.

1. Please supply E-mail address to receive GOGY show information on line .
2. **First time exhibitors** will receive a new registration number.
3. **Previous years exhibitor numbers** are available at registration desk for faster, easier show records.

All specimens entered must be grown by the exhibitor.

The fact of entry constitutes a declaration of this point.

Entries will be accepted from - 7:00 am to 10:30 am Saturday*

Judging Starts - 11:00 am

Show Open to Public - 1:00 pm Saturday and Sunday 10:00 am

Awards Ceremony 4:00 pm Sunday

Entries can be removed from show **ONLY AFTER** Awards Ceremony on Sunday.

***LATE ENTRIES WILL BE DISPLAYED BUT WILL NOT BE JUDGED.**

All Entries Must Be Labeled As To Kind and Variety

Entry tags must be completely filled out, **TOP AND BOTTOM**, and folded. Failure to do so will result in disqualification.

Unnamed specimens will be judged, but award ribbons will not be counted toward section awards. **See Exhibitor Advisor for assistance.**

Any number of specimens may be entered in each class, provided each specimen is a different variety. If three or more specimens of the same variety are entered in one class, they will automatically constitute a separate class. In "Any Other" each entry constitutes an individual class.

In the "Any Other" category the name and variety must be on the label.

Where the schedule calls for a quantity of more than one specimen, they shall be of the same variety and color, unless the schedule calls for a variation. A greater or lesser quantity shall disqualify the entry.

Specified varieties must go in the specified section.

Mini varieties should be placed in the class "any other" unless specified otherwise.

No artificial support of stem or blooms, other than small wedges, will be permitted.

Wedges will be supplied by the show committee.

Paper plates will be supplied for the vegetable section.

Vases acceptable where appropriate. Use of club containers is preferred.

Floating Specimens in clear water are permitted (foliage may be included) – Section 99, any other. Container must be supplied by the exhibitor.

Show Management - General Rules

Responsibility for injury or loss of exhibits and personal property will not be assumed by show management.

Exhibitors are not to be present during judging process.

The decisions of the judges will be final in awarding or withholding ribbons.

TGOA judging standards will be followed except where noted or show schedule deviates from these standards. Where applicable the judging standards of the specialized plant societies will be followed.

Why A Flower Show?

To me the sole purpose of a flower show is its educational value. So far as I am concerned, the flower show that has nothing to teach me is a complete failure. The number of blue ribbons that I may be able to collect has nothing to do with it. Naturally, the better growers will have the most to teach me; the more there are of them, the more I can learn. If they get the blue and I can find how and why they did, I get the information cheap. The idea of awards must be kept secondary to the true purpose of the show, which is education. As soon as the award becomes the primary purpose, the death of the show is assured.

New Award Boe Korody Largest Zinnia Award

Boe Korody was a friend of ours. In his retirement Boe volunteered at Knoll Run Golf Course planting the flowers. His favorite was "State Fair" Zinnia. I encouraged Boe to enter his beautiful Zinnia's in the Canfield Fair but he really did not have any interest in competing. With his permission I entered them for him and to his delight his Zinnia's won Best in Show. At Boe's funeral his wife Trudy passed out "State Fair" Zinnia seeds.

To honor his memory we are pleased to sponsor the Boe Korody Largest Zinnia Award for 2017 and 18. Carl and Yvonne Ford

The GOGY is pleased and thankful to announce that Trudy Korody will continue this award for 2019 and 21.

New Award Robert Voland Youth Sweepstakes Award

Robert's experience with the MGCY started when he was only 11 years old. He learned about the MGCY horticulture show through the children's veggie gardens and decided to enter some exhibits in the youth section. He has entered the show every year since and became an official member of the MGCY when he was 15 years old. He is now an accredited horticultural judge and has attended YSU to earn a degree in chemistry, biology and mathematics. His next step was to attend graduate school at Cornell University where he obtained his masters degree and is now working on a PhD in green chemistry. The GOGY extends much thanks to Robert for sponsoring the **Robert Voland Youth Sweepstakes Award.**

Awards

No more than one first (blue), one second (red) and one third (yellow) ribbon shall be given in any class except class 99. Any number of honorable mention ribbons (white) may be given. All varieties in the category "Any Other"(Class 99), the last entry of each section, will be eligible for a blue ribbon.

Sectional Awards

Sectional awards will be given in each section of the schedule. These awards shall be determined by the judges from the blue ribbon winners in each section.

Best of Show Award

The Best of Show award will be determined by the judges from the sectional award winners. No points will be given for this award.
