

## Very Moist Apple Cake

By Larry Tooker

Preheat oven to 350<sup>0</sup>F.

Bake 40-45 min.

4 cups peeled, diced apples (I like Jonagold or Golden Delicious)

½ c. vegetable oil

2 eggs, well beaten

1 tsp. vanilla extract

1 ½ c. granulated sugar

2 tsp. cinnamon

2 c. sifted flour

2 tsp. baking soda

¾ tsp. salt

Mix in order listed, in a large bowl.

Pour into a 9x13 greased and floured pan (this is important).

Add topping before baking.

### Topping:

2 T. melted butter

1 c. light brown sugar

2 tsp. cinnamon

2 tsp. flour

½ c. shredded sweetened coconut flakes

Mix and sprinkle over top of cake batter.

Sprinkle with 1 c. chopped walnuts. (optional)

Bake at 350<sup>0</sup>F. (cake is moist)
