# LIDO KEY MATTERS

---

## PRESIDENTS NEWS

No input received.

## DOES IT MATTER?

Early this summer, former LKRA President Sandy Bower resigned for family reasons which required her to spend a great deal of time up north. With hindsight we can see what a great driving force Sandy was within the LKRA.

Unfortunately despite my attempts to contact other board members during the summer, nobody replied. Eventually I was promised news would come after the October meeting; but this also didn't happen. As an Editor without news to report, I figure that there is nothing left for me to do but resign.

There is another meeting scheduled for this Saturday (see below) and it seems there will apparently be no December meeting. I encourage you to go to the meeting below, make your voice heard and get involved.

I had fun and hope you enjoyed the Lido Key matters we produced for you.

Regards,

Nigel Mould
