## Our Vision

At Jump For Joy Preschool, we strive to instill the joy of learning through God's love.

## Our Mission

We will work with each child to build self-esteem and positive feelings about school. We also will challenge each child to develop an awareness of the needs of others around them, while learning to serve others and reach out to those in need in our community.

## What Makes JFJ Special

Jump for Joy Preschool is a warm, loving environment designed to encourage learning. The unique low teacher to student ratio allows for a comfort level for each child to grow intellectually, socially, and emotionally.. We respect each child's individuality.

JFJ displays patience, kindness, gentleness, respect, and self-control to enhance our program and make it a place where children feel safe. We provide developmentally appropriate opportunities through hands on experience, allowing children to gain confidence, become independent, and build self-esteem.

We are a state licensed preschool with a 5 STAR rating. We want your child to have the best preschool experience possible!

Art, language, science, music, and early math and reading readiness will strengthen and prepare your child for kindergarten. Weekly Bible Time will introduce your child to God's incredible love for them, and His plan of salvation for all through Christ Jesus.

We will begin receiving children from the car line at **9:20**. The car line will run until 9:30. The doors will be locked at 9:30 and classes begin. For late arrival, please ring the doorbell/buzzer to the right of our door and someone will assist you.

1. Please turn on Silver Ave and enter the 2nd entrance to the parking lot behind the church.

Your car should be facing out towards Silver Ave. Place car in park and turn off car. Please remove your child from their car seat and walk them to a JFJ staff member at our door under the awning, to be walked to class.
3. \*\*\*\*\*We understand that you may wish to walk your child to their classroom at the beginning of the school year or that your child may experience separation anxiety. We ask that you park your car in the lot and come in through the JFJ front door. **Once your child is used to the drop off process, we encourage you to use the car line, as it helps the morning flow much smoother. If you walk your child in, please do a quick drop off so that it minimizes disturbance to the classroom.**\*\*\*\*\*
4. Some of you may want to park your car and then line up with your child under the awning to wait for the door to open. **Please stay with your child until you know that they have been received by a JFJ staff member.**

## JFJ Pick Up Procedures

Only persons on your child's pick up list will be permitted to pick up your child. You will be asked to show your Photo ID at time of pickup. Always have it with you. **Dismissal is at 1:20.** Please arrive no later than 1:30. Please park and come to the assigned pickup area for your child's class. You must sign your child out when they leave.

It is very important to be on time when picking up your child. Being late causes children to worry. A late fee of \$25 will be charged for the first 5 minutes **after 1:30 pick up** with an additional \$5.00 per minute after that time

## Our Discipline Policy

Children need to learn and understand acceptable and unacceptable behavior. Our teachers are here to help the children learn self-control and respect for each other.

When a child misbehaves or is disruptive, he/she is gently removed from the situation and redirected to a more appropriate behavior. If the behavior continues, the teacher will remove the child completely and allow them to sit and watch the others behaving appropriately.

If the disruptive behavior continues, a child may be removed from the classroom and brought to the school office . Upon returning to the classroom, if the inappropriate behavior continues, parents will be called for a conference.

The safety of every child at Jump For Joy Preschool is our top priority. In cases where inappropriate behavior is such that the safety of the students in the classroom is at risk, i.e. biting, physical violence, etc., the following procedure will be followed:

First Occurrence: The child will be removed from the classroom. Parents will be notified of the incident both verbally by phone and in writing with an incident report.

Second Occurrence: The child will be removed from the classroom. Parents will be notified of the incident both verbally by phone and in writing with an incident report. Parents will be asked to pick up the child. The child will be suspended from the program for the remainder of that day, as well as their next school day.

Third Occurrence: The child will be removed from the classroom. Parents will be notified of the incident both verbally by phone and in writing with an incident report. Parents will be asked to pick up the child. The child will be terminated from enrollment in the program for the remainder of that school year.

In order for a child who has been dismissed from the program to return to Jump For Joy Preschool the following school year:

- Readmission request must be presented to both the Director and the Jump For Joy Advisory Council in writing.
- The Director and Jump For Joy Advisory Council must approve readmission.
- Once readmitted, it is understood that the child will be dismissed from the program at the first occurrence.

## Assessment and Curriculum

The staff of Jump for Joy Preschool work to support learning goals for individual children, through ongoing observation, ASQ-3 Assessment which is administered within the first 30 days of enrollment, and biannual curriculum-based assessment. Results of these assessments are used for individual and group instruction, as well as curriculum development that best serve individual students, meeting their needs in the classroom. Our curriculum is aligned with the KY Early Childhood Learning Standards.
