

The Newsbud

From The Beaufort Garden Club
Established 1959

September 2018

Dear Ladies of the Club,

Oh dear, summer is coming to an end just when I've settled into the rhythm of it. I am never ready for this—never ready to say goodbye to hot, steamy, breathless days when jumping into Taylor Creek (is that safe?) or the surf is the only perfect antidote.

But fall is on the way and we will love those cooler days (whenever they get here) that also end too soon. One truly nice thing about fall arriving is that this coming Thursday, September 6, will be our first meeting of the year. And it looks like a great beginning to another inspiring, fun year with our garden club.

We have a new slate of officers but old faces remain. And we will enjoy another year of old friends, new friends, and soon to be old friends. Please see our new President's message in the next column.

From the President

I welcome all of our members to the 59th year of the Beaufort Garden Club. I hope that this year everyone comes to our meetings, has a good time, makes new friends, eats good food, and learns a little more about plants and gardens.

Our committees are the lifeblood of our organization, and we appreciate so much all the hard work those members do: they plan the programs and refreshments, the bake sale, the jumble sale; they beautify our town; they handle membership and create the directory and the Newsbud; they organize the Yard-of-the-Month, the Garden Tour, the Road Trip, wreath making for the holidays, flower arranging for the Old Homes Tour, and so much more.

This year we will undertake the beautification of Topsail Park. We will look into developing a plan for a public art project and a proposal for the new park to be located by the old drawbridge. On April 12, we will take our road trip to the Edenton Historic Homes Tour. In May, we will have a merry time at our own Garden Tour. As for the June luncheon, we need suggestions for a new venue.

We look forward to the new Beaufort Garden Club adventures that await us in the coming year!

*First Garden Club Meeting of the
Year*

Thursday, September 6th

*Ann Street Methodist Church, Eure
Building*

9:30 for delicious refreshments

10 o'clock meeting

*Master gardeners Susan Johnson & Celine
Lauer will lead our program and discussion.*
