June 2019

---

Dear Ladies of the Club,

Alas, the end of our year has arrived. "Summer time, summer time, sum sum summer time" has finally arrived and is moving fast, so before you know it we'll see each other again in the fall!

In the meantime, our end of the year luncheon is this Thursday (see below) and as all of you know, it is a lovely event with good food and good conversation. How fun to be in the newest restaurant in town!

The Newsbudler will "put away her pen" for the season and pick it up again in September.

Be safe flying and driving to far-away places. Have fun! Happy summer and happy watering!

Dear Garden Club Ladies,

It is hard to believe that our Garden Club year is almost over, and I look forward to seeing you at our final June Luncheon tomorrow.

I had a good time this year in Garden Club and hope all of you did as well. Our speakers, great food, the bingo fundraiser, Edenton Old Homes Tour road trip, our fantastic jumble sale, and the May Garden Tour were all a lot

of fun. It was great to get to know so many interesting and talented women.

I hope you all have fabulous summers, and I know we look forward to getting back together for our Garden Club meeting, Thursday, September 5 at 9:30 a.m. in the Eure Building, when we start our 2019-2020 year of the Beaufort Garden Club. Once again we will have a great time and will help our community to be even more beautiful in the coming year.

Keep on watering!

Deborah Van Dyken, President

## *End of the Year Luncheon*
