March 2019

Dear Ladies of the Club,

Due to several nights of staring at the ceiling until all hours of the morning, I decided to download a sleep app. Many of you may not know that there are apps to help you sleep, but there are, and now two of them are on my smart phone.

One has lovely bedtime tales that I listened to intently and gleaned all sorts of information—I now know a lot about the Orient Express and about lavender in France. However, I didn't go to sleep. The other app is "scientifically supported" and involves a lot of imagining disparate things—a person on a horse, ducks, a golf course. (It is still in its testing stage.) In the meantime I've decided to imagine planting bulbs. Hundreds and hundreds of bulbs.....Think that might work?

The meeting this Thursday sounds terrific! Something different and of course it will be fun! See Deborah's note for particulars.

Garden Club Meeting

Thursday, March 7

9:30 Breakfast Refreshments

10:00 Meeting—

The Eure Building, Ann Street
Methodist Church

From the President

Dear Ladies,

Spring is coming and a lot is happening! At our March 7 regular meeting, we will have a bingo party to benefit our Pretty Ladies' Topsail Park project. The cost of each bingo card is \$5 (good for all six games). The six bingo games will all be different with valuable prizes for the winners. For the seventh game, the cost of each bingo card is \$1, and it is winner take all! There will also be a silent auction with about 10 great items, so please come! See Carol Remy's email for a glimpse of the items.

Our 2019 spring road trip to the Old Homes Pilgrimage in Edenton, N.C., is

coming up Friday, April 12. The cost is \$95 for members and \$105 for non-members, and includes transportation, admission to the tour, lunch, breakfast, and Happy Hour. Everyone ALWAYS enjoys Edenton! There are only 18 seats left, so please sign up now and get on the bus with us! Hope to see you all at our meeting on Thursday, March 7!
Best regards,
Deborah Van Dyken

Happenings

**Don't forget Art From the Heart in the Lowes Shopping Center on Arendell Street, beside Big Lots. The show will run through March 14, and so many artists you know have paintings in the show. It is great fun! Our Garden Club membership is well represented! Check the Arts Council website for times.*

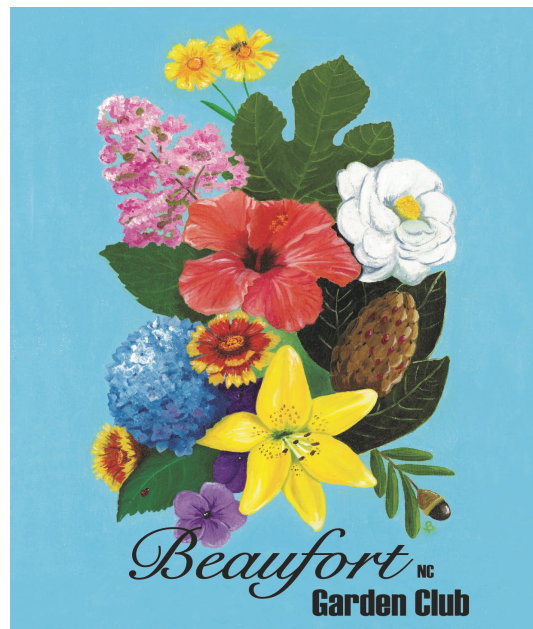

**April meeting-- we hope to have Jenna or Danny from Carolina Home and Garden to discuss container gardening.*

And in this weird February/March weather we actually have a Yard of the Month!

The home of Greg & Debbie Ireland, 1615 Front Street, an English Garden.

There is so much more to see of the gardens than I can possibly picture, so

please trot, or walk, or bike or even tool by in a car to enjoy them.

Our Garden Flag will be on sale for \$15 this coming Thursday, March 7! This is your chance!!

See ya round town,
Beverly Glover-Wood
