---

Dear Ladies of the Club,

The hurricane Dorian waylaid the September Newsbud. But we are back and fall is (sometimes) in the air. Even our puppies feel it—there is a spring to their step that wasn't there during those hot, muggy walks of summer.

Our 2<sup>nd</sup> garden club meeting is fast approaching and we are back in the Eure building at Ann Street Methodist.

I realize that our Prez sent out an informative letter about all that is going on, but a couple of reminders:

The Plant exchange, which happens Thursday, is always great fun! Give a plant, get a plant; bring a plant from your garden of which you either have too many or just don't want anymore and can't bring yourself to bump off. Or even a package of seeds. We all love new surprises in our gardens!

And as for the Jewelry & Jumble Sale, PLEASE take note of the items that are not acceptable. Most donations are greatly appreciated, but a few categories we just can't get rid of, no matter how low we price them. And then nobody will even TAKE them away!

AND WHAT A GREAT IDEA to take the jewelry seriously. So many terrific items have been donated in the past. Wouldn't it be great if we became a destination for our used jewelry? Bring your donated jewelry this Thursday!!

*Garden Club Meeting  
Ann Street Church, Eure Building  
Thursday, October 3, 9:30 a.m.  
Delicious Breakfast treats  
Program begins at 10--The Plant  
Exchange*

*Letter from the President.....*

Friends,

The days are flying by and I think we and our plants are ready for fall weather. It's the time of year to think about the holidays, decorating and baking. You might find your holiday desserts on the Bake Sale table on Nov 23<sup>rd</sup>! And our December wreath-making meeting is a delightful way to ease into the Christmas spirit.

As many of you know, Elaine White is stepping down as Chair of the Beautification Committee, aka Pretty Ladies. Thank you Elaine for a job well done! Elaine has turned over her shovel to Donna Becker who has been her steadfast assistant this past year. We thank Donna for taking on the lead for this dynamic and very vocal committee! The Pretty Ladies will be doing lots of planting around town in October. Talk to Donna if you would like to join the committee.

A great threesome has stepped up to lead one of our favorite events, the May garden tour. Thank you Heidi Cawman, Denise Finley and Mary Phillips! We hope to schedule a flower arranging class with Judy Mercer on Monday, November 25th. Judy will guide us in making our Thanksgiving table centerpieces. Look for the sign-up sheet at this week's meeting.

2019-20 Membership Directory pages will be distributed at our November meeting. Karma and I send a special thank you to Maria Apolloni for all her great work this year. Maria has done a terrific job designing ads and formatting pages.

Happy Fall Y'All,  
Carol

See you at the meeting!

Cheers,
