

Dear Potential Partner,

Thank you for taking the time to review and consider our partnership proposal. We are writing to request your support as a partner for the 2019 DJ Bling's Back 2 School Festival organized and hosted by DJ Bling Foundation. Your partnership contribution will be invested in our local community by providing free school supplies to students of low-income families in the Austin area. There are over 3 million children in Texas who live in low-income families who can't afford all the necessary supplies needed for school.

On August 3, 2019 we would like to help even more students and families. We are asking that you would consider donating \$500 to help us purchase school supplies. In return for your donation you will receive recognition on all marketing materials, banners, flyers, websites, interviews, and advertising. You will also receive space at our festival to showcase merchandise and connect with attendees. Your contribution is also tax deductible. You will also be helping our children succeed in their educational pursuits.

In 2018, DJ Bling's Back 2 School Festival hosted over 2,000 attendees with over 600 kids receiving backpacks filled with all the needed school supplies for school, free bikes, health screenings, dental information, and other family resource information and services. DJ Bling's Back 2 School Festival has become the biggest back to school event in the City of Austin made possible by our continued support from the City of Austin, H-E-B, Access Dental, Bags in Bulk, the community, and partners like you.

Please feel free to contact us with any questions, comments, or concerns about the event and partnership opportunities. We look forward to hearing from you and partnering to help equip our future, our children.

Respectfully,

Joseph Thompson
