

Big Chair Chess Club Presents:

Think B4U Move Academy

Building Stronger Minds | Strategic Thinkers | Future Leaders

Building Future Thinkers with Winning Mindsets—One Move at a Time.

Enriching youth with life skills and winning strategies - on and off the board.

Looking To Start A Chess Program?

Since 1991, Big Chair Chess Club has helped students develop strategic thinking, focus, confidence, and real-life decision-making skills through the power of chess.

Our Think B4U Move programs are designed to teach life skills that extend beyond the board—like resilience, planning, patience, and responsibility—while enhancing academic performance through STEM learning and Social Emotional Learning (SEL), leveraging Bloom's Taxonomy.

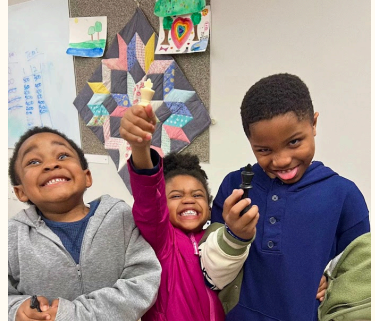

Program Options

All Programs include SEL / STEM / Bloom Taxonomy

- **Standard Chess Club / After School Program**
 - Fun, structured learning for beginners enrichment , guided play & sportsmanship
